

To whom it may concern:

My name is Brian Bender. I own the property at [REDACTED] Flaherty drive. I want to officially oppose the zoning amendment to 105 Elmira Road North. This new building will not only destroy my privacy but also negatively impact our enjoyment of our property by blocking the afternoon sun on our back yard. We also have other financial concerns such as decreased property value and ability to sell our property. I will be at the public meeting on May 13. Do I need to fill in any municipal forms to make my objections valid?
