

Committee of Adjustment Notice of Public Hearing

An Application for a Minor Variance has been filed with the Committee of Adjustment

Application Details

Location:

25 Wellington Street West

Proposal:

The applicant is proposing to renovate and construct a 211.3 square metre one storey office addition onto the left side and rear of the existing four storey apartment building. The first two floors will contain medical offices, and the two upper floors will contain 28 residential units geared to seniors. This property is currently subject to an application for site plan approval (File SP19-034).

By-Law Requirements:

The property is located in Specialized Downtown (D.1-24 and D.1-27) Zones. A variance from Section 6.3.2.5.1 of Zoning By-law (1995)-14864, as amended, is being requested.

The By-law requires a total of 51 off-street parking spaces, which is calculated based on 1 parking space per 67 square metres of gross floor area for office uses [21 parking spaces required], 1 parking space per residential dwelling unit [28 parking spaces required], and 0.05 visitor parking spaces per dwelling unit [2 parking spaces required] for apartment buildings with more than 20 dwellings.

Request:

The applicant is seeking relief from the By-Law requirements to permit a minimum of 43 off-street parking spaces on the property for the office uses and dwelling units within the building.
