Hello,

I live in this neighbourhood and I am strongly against the above stated application. Demolishing some of the amenities in the south end will definitely have a big impact on the community of Guelph. The amenities in the South End of Guelph are one of the biggest reasons we and many people are drawn to live in the south end, it's the livelihood and enjoyment of what brought us to this area and I know I am not just speaking on behalf of myself, there are many people in our neighbourhood that feel the same way. Another reason we were drawn to this area is for the highest ranked elementary school in Guelph, St. Paul Catholic School, and adding this much population to this school district will have an impact on this school and it's ranking.

Thank you for your time,

Kayla
