

ROBERT JOHN COOLE

I am Robert Coole and I am a resident of Guelph and reside at 3 Delaware Avenue since 2011, after moving from Milton.

Since moving here, I have been actively involved in our community. I have been involved in local events since 2011 and increasing my involvements in our community.

At present, I am the 1st Vice-President of the Royal Canadian Legion Col. John McCrae Memorial Branch 234 indirectly and directly since 2019 in many capacities.

I have been proud to spend the last five years as an active member of the Ontario Trillium Foundation Grant Review Team for the Waterloo,

Wellington and Dufferin Area, responsible for the fair distribution of Millions of dollars to deserving non-profit groups in these areas.

I bring with me a fair minded practice of doing the best I can for the people I represent and that will never change. I will work to do the best I can to assist those that in the Ward. I would be proud to represent the residents of our city the best way I can and work with Members of Council to make the best decisions for the city as a whole.

Thank you for your time for allowing the opportunity to put my name forward to represent the good people of Ward 6.

Respectfully Submitted

Robert Coole
