

Dear Mayor Guthrie, Councillor Klassen, and Councillor Goller,

As a Guelph resident who deeply values the city's ongoing well-being and success, I feel strongly about expressing my full support for Michael Keegan as the ideal candidate to fill the current vacancy in Ward 6.

Michael has been an active and dedicated member of our community for many years, and I've had the pleasure of seeing his commitment to our shared values and goals firsthand.

He has a solid grasp of the distinct challenges and opportunities that Guelph faces, which makes him exceptionally qualified to serve on council.

I am confident that Michael will bring both genuine passion and capable leadership to the position, ensuring our community's concerns are heard and addressed.

Thank you for considering my endorsement as part of your decision-making process for this important appointment.

Andrew Morton
