

Good day – I would like to voice my support **Michelle Bowman** for Councillor of **Ward 6**. Her dedication to the well-being of Guelph’s residents is clear through her active community involvement and thoughtful engagement. I had the pleasure of volunteering with her on the Green Party campaign for Mike Schreiner, where she showed strong leadership and a genuine commitment to positive change. Michelle will be a fair, responsive, and valuable representative for our community.

Thank you for considering Michelle for this candidacy, I am confident she will serve Ward 6 with integrity and heart.

Sincerely,

Claudia Espindola
