

Good evening,

As a member of Urban Park Guelph, I would like to add my voice to the concerns about the Reformatory Conservation Plan. We do not want the plan to facilitate residential development. Urban Park Guelph want a Heritage Conservation District at the old Reformatory lands and we do not want a plan at any cost. The Conservation Plan needs to avoid prescribing future land use; that is the job of zoning and planing. We are writing council to ask them to fix this plan.
