1 Administration

1.1 Application of By-law

1.1.1 Short title

This **By-law**, as amended, shall be referred to as the Community Planning Permit **By-law, Downtown Area** of the **City** of Guelph.

1.1.2 Lands subject to By-law

The provisions of this **By-law** apply to all lands in the **Community Planning Permit Area** in the **City** of Guelph as shown on Schedule A of this **By-law**.

1.1.3 Community Planning Permit precincts

Community Planning Permit Precincts are identified on Schedules A and B of this **By-law**.

1.1.4 Establishment of Community Planning Permit precincts

This **By-law** establishes the following precincts and places all lands within the **Community Planning Permit Area** in one or more of the following precincts:

- a) Residential Precincts
 - (i) Low **Density** Residential (LDR)
 - (ii) Medium **Density** Residential (MDR)
 - (iii) High **Density** Residential (HDR)
 - b) Commercial Precinct
 - (i) Neighbourhood Commercial Centre (NCC)
 - c) Downtown Precincts
 - (i) Downtown 1 (D1)
-

-
- (ii) Downtown 2 (D2)
 - (iii) Downtown 3 (D3)
 - (iv) Downtown Major Transit Station (DMTS)
- d) Institutional Precinct
- (i) Downtown Institutional (DI)
- di) Open Space Precinct
- (i) Parks and Open Space (POS)
- dii) Natural Heritage System Precinct
- (i) Natural Heritage System (NHS)

1.1.5 Community Planning Permit boundaries

Boundaries of Community Planning Permit Precincts shown on the Schedules are intended to follow **lot lines, street centre lines** and other similar elements and features, with the exception of the Natural Heritage System which follows the designation criteria in the Official Plan. The Approval Authority, in consultation with any agency or other levels of government as applicable, may exercise discretion in interpreting precinct boundaries to meet the general objectives and guiding principles of this **By-law**.

1.1.6 Community Planning Permit requirement

All **development** or changes to **use** within the **Community Planning Permit Area** to which this **By-law** applies shall require a Community Planning Permit.

1.1.7 Compliance with By-law

No **building** or **structure** shall be erected or altered, and no change of **use** or occupancy of any **building, structure, land, premises**, or any part thereof shall be made except in compliance with the provisions of this **By-law**.

1.1.8 Technical revisions

Provided that the purpose and intent of the **By-law** is not affected, the **City** may make technical revisions to this **By-law** without an amendment in the following cases:

- a) Correction of grammar, punctuation or typographical errors or revisions to format in a manner that does not change the intent of a provision.
- b) Additions or revisions to technical information on maps or schedules that does not affect the assigned precincts including, but not limited to, matters such as updating and correcting infrastructure information, keys, legends, or title blocks.
- c) Changes to appendices, footnotes, headings, indices, notes, tables of contents, illustrations, historical or reference information, page numbering, footers, and headers, which do not form a part of this **By-law** and are editorially inserted for convenience or reference only.
- d) Revising base mapping and parcel fabric updated from the Ontario Land Registry Office.
- e) Correcting **lot** and feature boundary errors and or inconsistencies.
- f) Adjusting the precise boundary of an Open Space precinct identified on Schedule(s) to this **By-law** or a Natural Heritage System precinct identified in this **By-law** where such adjustments are supported by a technical assessment approved and or accepted by the **City** of Guelph, and consistent with applicable criteria in the Official Plan.
- g) Changes to any reference to legislation or regulations or sections thereof approved by another public authority to include any amendments or successor legislation. This includes changes to the Provincial Bulletin on affordable housing rates, which are updated periodically.
- h) Technical revisions to provide clarity in the administration of this **by-law** that do not change the intent of the provisions where deemed appropriate by the General Manager, Planning and Building Services.

1.1.9 Compliance with other legislation

Nothing in this **By-law** shall be construed to exempt any person from complying with the requirements of any other By-law of the **City** or any other government statute and/or regulation that may otherwise affect the **use** of land, **buildings**, or **structures**.

1.2 Exemptions

1.2.1 Development exempt from Community Planning Permit

Notwithstanding any provision in this **By-law** to the contrary, the following types of **development** shall not require a Community Planning Permit:

- a) An activity involving only **site alteration** subject to the **City's Site alteration** By-law, as amended or tree removal subject to the **City's** Tree By-law, as amended.
- b) Any development consistent with Site Plan Control approval issued pursuant to the City of Guelph Site Plan Control By-law prior to the effective date of this By-law, as amended.
- c) Any **development** consistent with a minor variance approved prior to the **effective date** of this **By-law**.
- d) Placement of a portable classroom on a **school** site of a district school board if the school site was in existence on January 1, 2007, as per Ontario Regulation 173/16.
- e) Infrastructure projects initiated by a public authority.
- f) In accordance with the Planning Act, projects by publicly-assisted Universities for the objects of the Institutions.
- g) Repairing or rebuilding a **building** or **structure** which constitutes a legal non-conforming use if:
 - (i) The **development** is solely limited to the repairing or rebuilding of a **building** or **structure** which constitutes a legal non-conforming **use**;

- (ii) The **building** or **structure** is situated in the same location; and
- (iii) Does not increase the height, size, volume or change the **use** of the **building** or **structure**.

1.2.2 Exemptions under the Planning Act

Where **development** is exempt from provisions of the Planning Act, **development** is only exempt to the extent that the Planning Act provides for.

1.2.3 Additional exemptions

For further clarity, the following activities do not constitute **development** and do not require a Community Planning Permit:

- a) Interior alterations to an existing **building** provided that there is no change in **use** or intensification.
 - b) Repairs and maintenance of any existing lawfully established **buildings** or **structures** such as the replacement of windows, doors, stairs, and decks, that will not result in changes to the footprint, location, height, or **gross floor area** of the **structure**.
 - c) Repairs and replacement of existing lawfully established **buildings** and foundations provided that the works do not involve the placement of fill, alteration of existing grades, or changes to the footprint, location, height, or **gross floor area** of the **structure**.
 - d) **Development** where the only proposed work is a change of a lawfully existing **use** to another **use** that is permitted within the applicable Community Planning Permit precinct.
 - e) A new **single-detached dwelling**, an addition to a **single-detached dwelling** and/or any associated **accessory building or structure**, including **additional dwelling unit(s)**, that meet all requirements of this **By-law**.
 - f) A new **semi-detached dwelling**, an addition to a **semi-detached dwelling** and/or any associated **accessory building or structure**, including **additional dwelling unit(s)**, that meet all requirements of this **By-law**.
-

- g) A new **on-street townhouse**, an addition to an **on-street townhouse** and/or any associated **accessory structure**, including **additional dwelling unit(s)**, that meet all the requirements of the **By-law**.
- h) A new **development** of 10 **dwelling units** or less (including a **duplex dwelling, triplex** or **fourplex**), an addition to a **development** of 10 **dwelling units** or less and/or any associated **accessory structure**, that meet all the requirements of the **By-law**, if the development is outside of the area prescribed for the purposes of subsection 41(1.2) of the Planning Act.
- i) Swimming pools, awnings, hot tubs, gazebos, storage sheds no greater than 15 square metres, new or repaired fences, and **porches** that meet all the requirements of the **By-law**.
- j) Minor works meeting the provisions of this **By-law** where deemed appropriate by the General Manager, Planning and Building Services for the City and/or delegate.

1.3 Enforcement

No person shall erect, alter, enlarge, reconstruct, or use any **building** or **structure** in whole or in part, nor use any land in whole or in part, except in conformity with this **By-law**.

1.3.1 Offence

Any person who uses land contrary to any provision of this **By-law** and any person who owns land which is used contrary to any provision of this **By-law** is guilty of an offence.

1.3.2 Penalties

- a) Any person convicted of an offence under any provision of this **By-law** shall be liable to a penalty as set out in Section 67 (1) of the Planning Act, R.S.O.,1990, Chapter P.13, or any successor thereof.
 - b) Any corporation convicted of an offence under any provision of this **By-law** shall be liable to a penalty as set out in Section 67 (2) of the Planning Act. R.S.O. 1990, Chapter P.13, or any successor thereof.
-

1.3.3 Severability

In the event that any regulation in this **By-law** is deemed or determined to be in violation of any law, or held to be invalid or unenforceable by any court or tribunal of competent jurisdiction, the violation and invalidity shall not affect the remainder of this **By-law**. This **By-law** shall afterwards be interpreted as though the offending regulation is not contained in this **By-law**.

1.4 Other administrative matters

1.4.1 Repeal of existing By-laws within CPP area

On the **effective date** of this **By-law**, the Comprehensive Zoning By-law (2023)-20790, where applicable, (1995)-14864, where applicable, and Site Plan Control By-law (1995)-14866, where applicable, will be deemed to no longer apply to lands within the **Community Planning Permit Area(s)** as identified and delineated on Schedule A to this **By-law**.

1.5 Transition provisions

1.5.1 Transition clauses

The provisions of this Section expire and are repealed effective two years after the **effective date** of this **By-law** with the exception of provision 1.5.3 a) (i) which expires and is repealed five years after the **effective date** of this **By-law**. The relief provided by provisions 1.5.1 to 1.5.5 of this **By-law** shall not continue beyond the issuance of a permit, approval, or agreement upon which the exemption is founded, unless otherwise provided for in this **By-law**.

1.5.2 Transition clause related to building permit applications

- a) Nothing in this **By-law** shall prevent the erection or **use** of a **building** or **structure** for which an application for a building permit was accepted on or prior to the **effective date** of this **By-law**, if the **development** in question complies, or the building permit application for the **development** is amended to comply, with the provisions of the applicable Zoning By-law as it read on the day before the **effective date** of this **By-law**.

1.5.3 Transition clause related to site plan applications

- a) Nothing in this **By-law** shall prevent the erection or **use** of a **building** or **structure** for which a complete application for Site Plan Approval under Section 41 of the Planning Act was deemed complete on or prior to the **effective date** of this **By-law** provided that:
- (i) Both
 - The **development** to which is the subject of the application for site plan approval referenced in provision 1.5.3 applies, and
 - The **building** permit application for the said **development** complies with the approved site plan and the provisions of the applicable Zoning By-law as it read on the day before the **effective date** of this **By-law**; and
 - (ii) The **building** permit application referenced in provision 1.5.3 a) (i) is accepted within 90 days of Site Plan Approval, to a maximum of two years after the **effective date** of this **By-law**. Or, in the case of a building permit application for **development** referenced in Section 1.5.3 a) (i) which has multiple building phases, the building permit application for the first building phase has been accepted within 90 days of Site Plan Approval, to a maximum of two years after the **effective date** of this **By-law**, and the building permit application or applications, for any subsequent building phase, or phases, has been accepted within five years of the **effective date** of this **By-law**.
- b) Notwithstanding provision 1.5.3, if the site plan application was approved prior to the **effective date** of this **By-law**, nothing shall prevent the erection or **use** of the **building** or **structure** in the approved site plan application for which an application for a building permit was accepted within two years after the **effective date** of this **By-law**.
- c) Notwithstanding provisions 1.5.3(a) and (b), nothing in this **by-law** shall prevent a minor amendment of an approved Site Plan under Section 41 of the Planning Act, or a minor amendment to an associated Site Plan Control Agreement, at the discretion of the General Manager, Planning and Building Services. Any minor amendment shall be reviewed against the Site Plan Control

By-law as it read the day before it was repealed by this **By-law**. More substantial amendments will require approval through the requirements of this **By-law**.

1.5.4 Transition clause related to minor variances

- a) Nothing in this **By-law** shall prevent the erection or **use** of a **building** or **structure** which is permitted by an application pursuant to Section 45 of the Planning Act which was made prior to the **effective date** of this **By-law** provided that:
- (i) Such application has been approved either by the **City** of Guelph Committee of Adjustment or, on appeal, by the Ontario Land Tribunal or its predecessor, before or after the **effective date** of this **By-law**; and
 - (ii) An application for a **building** permit for the erection or **use** of the **building** or **structure** has been accepted within two years of the **effective date** of this **By-law**.
 - (iii) Where a minor variance was authorized by the **City** of Guelph Committee of Adjustment, or the Ontario Land Tribunal or its predecessor, before or on the **effective date** of this **By-law** as a condition of Site Plan Approval, provision 1.5.3 shall apply to give effect to the applicable Site Plan Approval.

1.5.5 Transition clause related to in-progress Planning Act applications

- a) An application under Section 34 of the Planning Act that was deemed complete prior to the **effective date** of this **By-law** and is approved by the **City** of Guelph City Council or the Tribunal after the **effective date** of this **By-law**, will be incorporated as a site-specific amendment into this **By-law**.
- b) Nothing in this **By-law** shall prevent the erection or **use** of a **building** or **structure** for which an application under Section 34 of the Planning Act was deemed complete prior to the **City** of Guelph City Council's approval of this **by-law**, and is approved after the **effective date** of this **by-law**, OR in accordance with provision 1.5.5.1 provided:

-
- (i) An application for a Site Plan Application or Building Permit for the erection or **use** of the **building** or **structure** has been accepted within two years of the **effective date** of this **By-law**.
 - (ii) The Site Plan application for the said **development** complies with the applicable Section 34 approvals.
- c) Any site specific amendment approved by the **City** of Guelph City Council following the **effective date** of this **By-law**, shall prevail over the provisions of this by-law in the event of any conflict, and shall be incorporated into this **By-law** as a site-specific amendment or a Community Planning Permit.
- d) Any site-specific applications that are subject to a Tribunal appeal at the time of the passing of this **By-law** and subsequently approved by the Tribunal shall prevail over the provisions of this **by-law** in the event of any conflict, and shall be incorporated into this **By-law** as a site-specific amendment or Community Planning Permit.
- e) Notwithstanding Section 1.4.1 of this **By-law**, applications meeting the requirements of Section 1.5.5 on the **effective date** of this **By-law**, the in effect Site Plan Control By-law may apply on a site-specific basis subject to the following:
- (i) An application for Site Plan Application submitted in compliance with the provisions of 1.5.5(e) shall be accepted no more than two years after the **effective date** of this **By-law**.
 - (ii) An application that requires Class 2 or Class 3 variations from the site-specific precinct approvals shall require a Community Planning Permit application and be subject to the requirements of this **By-law**.

1.5.6 Holding provisions

- a) Where lands were deemed to be subject to a holding provision by way of a By-law passed pursuant to Section 36 of the Planning Act on the **effective date** of this **By-law**, the conditions associated with the applicable holding provision shall be deemed to continue to apply.

- b) Where there is a conflict between the provisions of this **By-law** and the specific provisions of any By-law imposing a holding provision, the specific By-law imposing a holding provision shall prevail.
- c) Where a Community Planning Permit Application involves lands which are subject to conditions applied in accordance with this **By-law**, such conditions shall be applied in the same manner as if they were imposed.
- d) Previous holding provisions are listed in Appendix A to this **By-law** and form part of this **By-law** until such time that the conditions outlined have been fulfilled to the satisfaction of the Approval Authority, and/or applicable agency. An amendment to the **By-law** is not required when the holding conditions have been met.

1.6 Community Planning Permit Classes, Delegated Approval Authority and Public Notice Procedure

1.6.1 Community Planning Permit Classes

There are three classes of Community Planning Permits: Class 1 – Standards Met, Class 2 – Staff Variation, and Class 3 – Council Variation, as outlined in **Table 1.1** and summarized below:

- a) Class 1 Community Planning Permits capture **developments** which meet all **development** standards of this **By-law** and the **City's** Official Plan in force and effect on the **effective date** of this **By-law**; and
- b) Class 2 and Class 3 Community Planning Permits capture **developments** that do not comply with the **development** standard limits for a Class 1 Planning Permit, and are subject to additional requirements as outlined in Section 1.8 and 1.9.

1.6.2 Delegating approvals

City Council delegates **development** powers and duties on behalf of the **City** to the Approval Authority, as set out in this **By-law** and in accordance with **Table 1.1** below. Council may withdraw or amend this delegation at any time.

1.6.3 Notification requirements

The **City** will provide public notice of a Community Planning Permit Application in accordance with **Table 1.1**. The **City** may update the application public notice procedures without an amendment to this **By-law**. A Notice of Decision will be provided for all Community Planning Permits in accordance with Section 1.16 (Notice of decisions).

1.6.4 Referrals to Council

- a) **City** staff may refer a complete application to Council at any time prior to the decision of an application.

- b) The Owner may refer an application to Council at any time prior to the decision of an application.
- c) At the time of submitting an application, an applicant may request that a Class 2 Community Planning Permit Application be processed as a Class 3 Community Planning Permit, where the applicant is of the opinion that the application would benefit from Council/Committee review and decision.

1.7 Discretionary uses

1.7.1 Discretionary use requirements

A discretionary **use** may only be allowed if the criteria set out in this **By-law** and any footnotes associated with the discretionary **use** as identified in this **By-law** have been addressed to the satisfaction of the Approval Authority.

1.7.2 Adding a permitted or discretionary use

A **use** shall not be added as a permitted **use** or a discretionary **use** through a Community Planning Permit. For any proposed new **use** within any precinct, an amendment to this **By-law** shall be required, in accordance with Section 1.19 (By-law amendment process).

1.8 Variations

1.8.1 Class 2 or 3 permit variations

Variations to standards of this **By-law** may be considered through the Class 2 or Class 3 Community Planning Permit process, in accordance with the requirements and objectives of this **By-law** and the **City's** Official Plan in force and effect on the **effective date** of this **By-law**.

1.8.2 General standards variations process

Variations to the general standards of this **By-law** found in Section 4.0 (General provisions), parking provisions found in Section 5.0 (Parking), and Section 7.0 Site Specific provisions may be considered through a Class 2 or Class 3 Community Planning Permit process, in accordance with the requirements and objectives of this

By-law and the **City's** Official Plan in force and effect on the **effective date** of this **By-law**.

1.8.3 Variation amounts and percentages

Variations are applied as an amount or percentage of an eligible standard. The amount or percentage referred to is the amount of the standard that may be varied.

1.8.4 Permit application requirements

A Community Planning Permit Application for a Class 2 or Class 3 permit that requests a variation shall be subject to all requirements of this **By-law**.

1.8.5 Class 2 permit staff variations

For a Class 2 Community Planning Permit, staff may approve or provisionally approve **developments** which vary from the standards within Section 4.0 (General provisions), Section 5.0 (Parking), Section 6.0 (Community Planning Permit Precincts) and Section 7.0 (Site specific provisions), provided the variation is within the established Class 2 variation limits identified in this **By-law**, subject to the criteria in Section 1.9 (Criteria for considering a Class 2 or 3 Community Planning Permit Application) and subject to alignment with the Official Plan in force and effect on the **effective date** of this **By-law**, provincial policy and other applicable legislation.

1.8.6 Class 3 permit Council variations

For a Class 3 Community Planning Permit, Council may approve or provisionally approve developments which vary from the standards identified in Section 6.0 (Community Planning Permit Precinct) of this **By-law** above the established Class 2 variation limits, subject to the criteria in Section 1.9 (Criteria for considering a Class 2 or 3 Community Planning Permit Application), and subject to alignment with the **City's** Official Plan in force and effect on the **effective date** of this **By-law**, provincial policy and any other applicable legislation.

1.9 Criteria for considering a Class 2 or 3 Community Planning Permit Application

1.9.1 Criteria for Discretionary Uses, Variations from Standards, Class 2, and Building heights, Class 3

- a) Where a Class 2 or Class 3 Community Planning Permit is required, the proposed **development** or a discretionary **use** will only be permitted if the following criteria are addressed to the satisfaction of the Approval Authority prior to the issuance of a Community Planning Permit in accordance with provision 1.11.5 (Decision) and may be subject to conditions of approval in accordance with Section 1.12 (Conditions attached to approval):
- (i) The proposed **development** or a discretionary **use** implements the requirements and objectives of this **By-law**.
 - (ii) The proposed **development** or a discretionary **use** implements the **City's** Official Plan policies and conforms to the **City's** Official Plan in force and effect on the **effective date** of this **By-law**.
 - (iii) The proposed **development** or a discretionary **use** shall consider provincial and municipal guidelines and regard for technical studies.
 - (iv) The proposed **development** or a discretionary **use** is consistent with and conforms to provincial policy, regulations, and standards, as amended, and any other authority having jurisdiction.
 - (v) The potential off-site and adverse impacts resulting from the proposal are identified and mitigated where suitable, as demonstrated by appropriate studies or reports.
 - (vi) The proposal is consistent with the intent of any applicable urban design policies, standards, and/or guidelines and,
 - (vii) The proposal is compatible with, and context sensitive to, the planned context and area character

the proposed **development** shall only be permitted if it complies with the provisions of 1.9.1(a), 1.14.4, and meets the following:

1. Municipal services required for the proposed development are adequate and available.
2. Where successive phases of development are proposed, the submission of a plan which demonstrates the proposed phasing of development to the satisfaction of the approval authority.

1.10 Agreements

1.10.1 Agreements

Where a Community Planning Permit is required, an applicant may be required, at the discretion of the Approval Authority, to enter into one or more agreements with the **City**, including but not limited to, agreements to address conditions of approval as outlined in Section 1.12 (Conditions attached to approval).

1.10.2 Agreement registration on title

The agreement referred to in provision 1.10.1 (Agreements) shall be registered on title to the Owner's property at the Owner's expense.

1.10.3 Applicant responsibility for additional approvals

Notwithstanding any other provision in this **By-law**, the applicant is responsible to obtain all required approvals and permits beyond those provided as part of a Community Planning Permit.

1.10.4 Delegation of authority to City staff

Council delegates the authority to **City** staff to prepare, approve, execute and to amend any Community Planning Permit Agreement required by the Community Planning Permit **By-law**.

1.10.5 Amendment of pre-existing development agreements

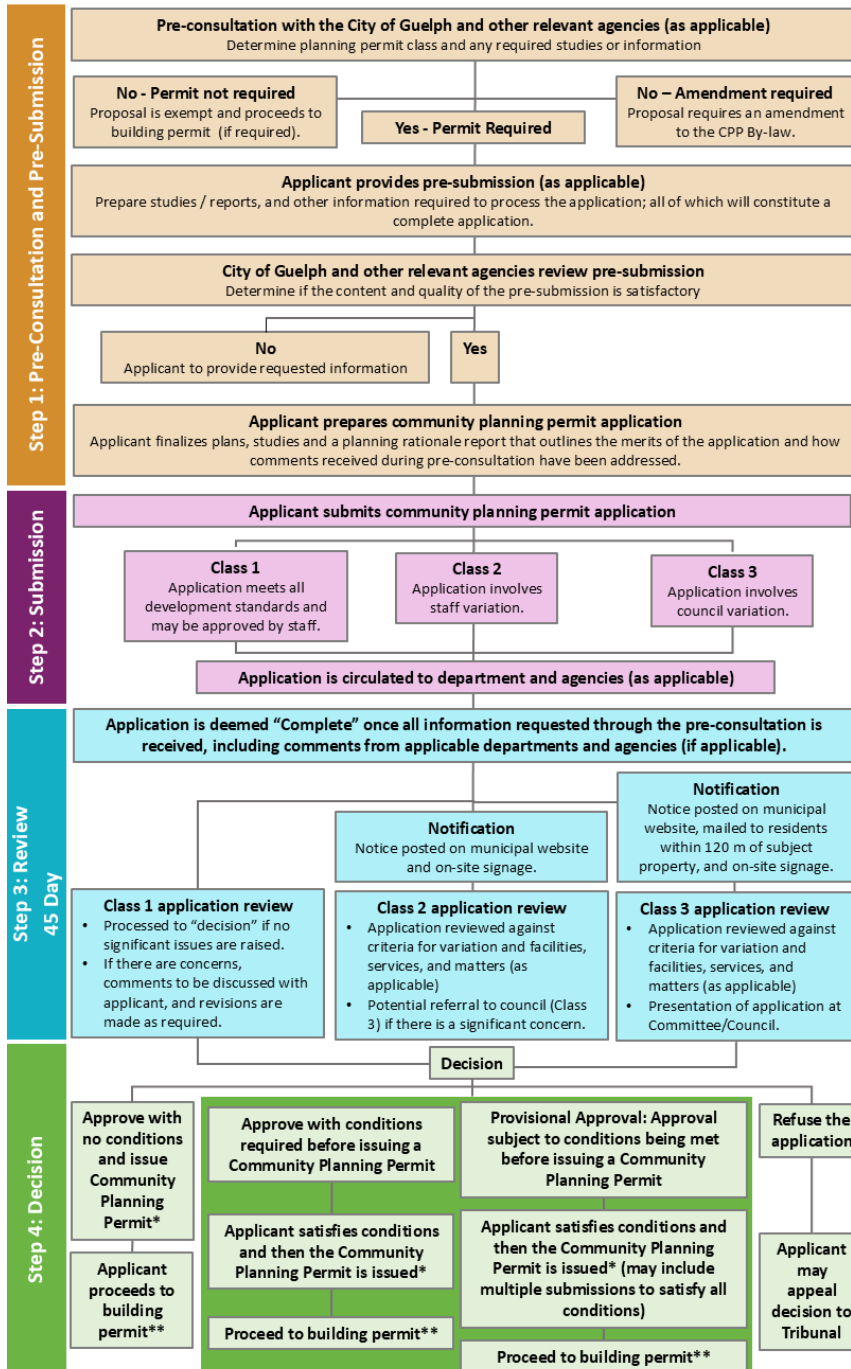

Pre-existing **development** agreements continue to be valid and binding and may be amended under this **By-law** if subject to a Community Planning Permit.

1.11 Application process

1.11.1 Community Planning Permit review

The Community Planning Permit review process generally consists of the steps illustrated in Figure 1.1.

Figure 1.1: Community Planning Permit Application Process

*Agreement to be Registered on Title (if required)

**Other permits may need to be obtained from External Agencies (MTO, GRCA, Metrolinx, CN Rail, GJR, etc.) as applicable.

1.11.2 Pre-consultation

- a) Prior to the submission of a Community Planning Permit Application, the applicant shall meet with **City** staff through a formal pre-consultation to obtain the requirements for a complete Community Planning Permit Application, unless exempt from a permit as outlined in Section 1.2 (Exemptions) of this **By-law**.
- b) The City shall require that pre-consultation with applicable agencies occurs prior to the submission of a Community Planning Permit Application, where suitable.
- c) Where a technical study or report is required to support a Community Planning Permit Application, the extent of the issues to be addressed will be identified by applicable agencies and/or **City** staff, based on the **City's** Official Plan in force and effect on the **effective date** of this **By-law**, and any terms of reference during the pre-consultation meeting.
- d) Where appropriate and in consultation with applicable agencies, the **City** will strongly encourage that technical studies related to natural hazards be submitted by the applicant, and reviewed by the **City** staff and applicable agencies, prior to the submission of a Community Planning Permit Application.

1.11.3 Pre-Submission

- a) Prior to the submission of a Community Planning Permit Application, pre-submission is strongly encouraged following the pre-consultation review.

1.11.4 Complete applications

Complete applications for a Community Planning Permit shall include:

- a) A fully completed and signed Community Planning Permit Application Form.
- b) Submission of the required application fees.
- c) The application submission requirements identified on Schedule 1 of Ontario Regulation 173/16, as amended.
- d) All requirements identified through pre-consultation, in accordance with the **City's** Official Plan in force and effect on the **effective date** of this **By-law**, and

subject to the provisions in Sections 1.11.2 (Pre-consultation), 1.11.3 (Complete applications) and 1.11.4 (Required information, materials, studies and reports).

- e) Any applicable agency approvals or permits required to be provided to the Approval Authority as determined during the pre-consultation meeting.

1.11.5 Required information, materials, studies and reports

- a) A list of technical studies and reports that may be required to be submitted at the time of a Community Planning Permit Application is contained in the **City's** Official Plan in force and effect on the **effective date** of this **By-law**. Additional technical reports may also be required for applicable agency approvals at the time of application.
- b) All required reports and technical studies shall be carried out by a qualified person retained by and at the expense of the applicant.
- c) At the discretion of the Approval Authority, any required technical studies and reports may be subject to peer review at the expense of the applicant.

1.11.6 Decision

Upon review of a complete application the Approval Authority may:

- a) Approve the application without conditions and issue a Community Planning Permit.
- b) Approve the application and issue a Community Planning Permit with conditions attached, subject to Section 1.12 (Conditions attached to approval).
- c) Approve the application subject to conditions being met before the issuance of a Community Planning Permit, subject to Section 1.13 (Provisional approval).
- d) Approve the application subject to conditions being met before the issuance of a Community Planning Permit, subject to Section 1.12 (Conditions attached to approval), subject to Section 1.13 (Provisional approval) and with conditions attached.
- e) Refuse to approve the application.

1.11.7 Confer with any persons or public bodies

Notwithstanding any other provision, when considering a Community Planning Permit, the Approval Authority may confer with any persons or public bodies that may have an interest in the application.

1.12 Conditions attached to approval

1.12.1 Conditional approval of permit applications

Where a Community Planning Permit is required in accordance with the provisions of this **By-law**, the **City** may approve an application with conditions, which must be completed within an agreed upon timeframe to the satisfaction of the approval authority. A condition may be imposed if:

- a) The condition is clear, precise, and quantifiable.
- b) The condition includes a clear statement of whether it must be complied with before the construction, renovation, demolition, certain changes to the **use of buildings/structures**.

1.12.2 Limitations on conditions of approval

A condition of approval shall not deal with the following aspects of **buildings and structures**:

- a) Interior design.
- b) The layout of interior areas, other than interior walkways, stairs, elevators and escalators to which members of the public have access from **streets**, open spaces and interior walkways in adjacent **buildings**.
- c) The manner of construction and construction standards.

1.12.3 Types of approval conditions

The **City** may impose the following types of conditions as a condition of approval:

- a) A condition that is permitted by section 34, 40, 41 or 42 of the Planning Act.
-

- b) A condition related to **site alteration**.

- v) Demonstrated compliance with any mitigation measures, such as monitoring requirements, identified in an Environmental Impact Study (EIS) or Environmental Impact Report (EIR).
- w) Entering into agreements relating to any condition.

1.12.4 Tribunal determination of conditions

In accordance with the Planning Act, the applicant may at any time make a motion for directions to have the Ontario Land Tribunal determine whether a specified condition has been fulfilled or is valid.

1.12.5 Validity period of conditional approval

Conditional approval shall be valid for a period of three (3) years, failing which the conditional approval will lapse, except where otherwise stated within an Agreement.

1.12.6 Extension requests to conditional approval

Notwithstanding provision 1.12.5 (Validity period of conditional approval), requests for an extension of a conditional approval of a Community Planning Permit to meet a condition may be granted upon submission of a formal request to the General Manager, Planning and Building Services at the **City**.

- a) An extension of a conditional approval of a Community Planning Permit may be granted in one (1) year intervals, to a maximum of two (2) requests, subject to this **By-law** and any provisions within, as amended.

1.13 Provisional approval

1.13.1 Provisional approval conditions

Provisional approval of a Community Planning Permit provides approval in principle, subject to certain conditions being met prior to issuance of a Community Planning Permit, as stipulated in this **By-law**.

1.13.2 Fulfillment of provisional conditions

- a) The applicant shall fulfill the conditions associated with the provisional approval in advance of Community Planning Permit issuance, to the satisfaction of the Approval Authority.
- b) Provisional approval does not guarantee the ultimate issuance of a Community Planning Permit. If one or more conditions of provisional approval have not been cleared to the satisfaction of the **City**, a Community Planning Permit shall not be issued. Changes to the design to address one or more conditions may result in the need for a new circulation or new permit application.

1.13.3 Validity period of provisional approval

Provisional approval shall be valid for a period of one year, failing which the provisional approval will lapse.

1.13.4 Extension requests for provisional approval

Notwithstanding provision 1.13.3 (Validity period of provisional approval), requests for an extension of a provisional approval of a Community Planning Permit to meet a condition may be granted upon submission of a formal request to the General Manager, Planning and **Building** Services at the **City**.

- a) An extension of a provisional approval of a Community Planning Permit may be granted in one (1) year intervals, to a maximum of three (3) requests, subject to this **By-law** and any provisions within, as amended.

1.14 Facilities, services and matters

1.14.1 Maximum building height permitted through a Class 1 Community Planning Permit

The maximum **building height** that is permitted through a Class 1 Community Planning Permit is shown on **Schedule C2** for the Downtown Permit Area. Notwithstanding **Schedule C2** for the Downtown Permit Area, **development** associated with the additional **building height** identified in **Schedule D** is subject to the provision of facilities, services and matters in accordance with section 1.14.2 and Tables D.1 and D.2 in **Appendix D** of this **By-law**.

1.14.2 Building heights and the provision of facilities, services, and matters for a residential use

In exchange for the approval of additional **building height** for a **development** containing a residential **use**, the **City** will require the provision of facilities, services and matters as outlined in **Table 1.2** and **Table 1.2** below, and as follows:

- a) For a **development** containing multiple **buildings**, the required facilities, services, and matters will be calculated per unit for all residential units associated with the **building height**, identified on Schedule D.

1.14.5 Provision for alternative facilities, services, and matters

Notwithstanding the required facilities, services and matters of **Table 1.2**, the **City** may accept the provision of alternative facilities, services and matters in lieu or partially in lieu of those that would otherwise be required by **Table 1.2**, subject to:

- a) An application for consideration of in-kind contributions shall require approval by Council as a Class 3 Community Planning Permit.
- b) The application for consideration of in-kind contributions must be submitted to the **City** with supporting documentation as to the suggested value thereof no less than 180 days prior to the first building permit being granted for the proposed **development** or change of **use**. This documentation must be provided as part of the complete Community Planning Permit Application, and intent to provide in-kind contributions must be identified by the proponent during the pre-consultation stage.
- c) In-kind contributions shall only be accepted if the same are approved by resolution of Council, at Council's discretion. The determination of Council as to whether in-kind contributions shall be accepted in full or partial satisfaction of the requirements of this subsection of the **By-law** shall be final and binding.
- d) The value attributed to an in-kind contribution shall be as determined by Council, based on one or more third-party valuations to the satisfaction of Council, or their delegate. Council's determination of the value to be attributed to any in-kind contribution shall be final and binding.

1.14.6 Development that exceed the maximum building height

Where a **development** proposal would exceed the maximum **building height** per **Schedule C2**, Council may authorize a variation provided the proposal provides the facilities, services and matters in **Table 1.2** as well as additional facilities, services and matters.

Council may approve no more than a 20 per cent variation above the maximum **building height** on **Schedule C2** as a Class 3 application. Any **development**

application requesting more than 20 per cent more height shall require an amendment to this **By-law**.

In its review of an application for additional height over the Schedule C2 maximum, Council may approve additional facilities, services and matters that shall meet a need identified by the **City**, such as the following:

- a) Land to be conveyed to the **City** for municipal purposes;
- b) Accessible **dwelling units**;
- c) Purpose-built rental units;
- d) Additional affordable dwelling units, beyond those required in Table D.1;
- e) Public Service Facilities or Institutional use;
- f) Public transportation infrastructure, facilities, and services;
- g) Active transportation infrastructure and facilities;
- h) Public parking and improvements to existing public parking;
- i) Public art;
- j) Urban forestry;
- k) Parkland and improvements to existing **parks** in excess of what is required under Section 42 of the Planning Act and the City's Parkland Dedication By-law, as amended;
- l) Conservation, protection and preservation of cultural heritage resources or natural heritage features and systems;
- m) Implementation of voluntary sustainability measures above and beyond the energy, water and sustainability policies of the City's Official Plan in force and effect on the **effective date** of this **By-law**; and,
- n) Any other in-kind contribution as approved by Council.

1.14.7 Application requirements

Where the **City** is able to collect facilities, services and matters through a Class 3 permit, an application for a Community Planning Permit for additional **building height** that would exceed the maximum **building height** established in **Schedule C2** shall demonstrate as part of a complete application that the facilities, services and matters proposed to be provided are proportional in quantity or monetary value to the number of additional **dwelling units** proposed.

1.14.8 Agreements and provision of facilities, services and matters

An applicant may be required, at the discretion of the Approval Authority, to enter into one or more agreements registered on title with the **City** or another agency, for the provision of facilities, services and matters.

1.15 Notice of decisions

1.15.1 Decision time frame

- a) In accordance with the Planning Act, within 15 days of the date of decision, the **City** shall issue a written Notice of Decision to the applicant and to each person or public body that filed a written request to be informed of the decision with the clerk of the municipality.
- b) The Notice of Decision shall:
 - (i) Include reasons for the decision.
 - (ii) Give reasons for any conditions imposed and include any imposed conditions.

1.15.2 Refusal of an application

Despite provisions in this **By-law**, if in the opinion of the Approval Authority, the Community Planning Permit **By-law** criteria for variation from a standard are not met, the Community Planning Permit Application may be denied.

1.16 Appeal process

1.16.1 Appeal of decision to Tribunal

In accordance with the Planning Act, an applicant may appeal a decision on a Community Planning Permit Application in writing to the Ontario Land Tribunal, no later than 20 days after the day the Notice of Decision is given.

1.16.2 Appeal of non-decision to Tribunal

In accordance with the Planning Act, an applicant may appeal a non-decision on a Community Planning Permit Application in writing to the Ontario Land Tribunal if no decision was made within 45 days of an application being deemed complete.

1.16.3 Appeal process compliance

Appeals must be made in accordance with the Planning Act and O.Reg. 173/16.

1.17 Modifications to provisional approvals of Community Planning Permits

1.17.1 Modifications to provisional or conditional approval

At the request of the applicant, and where considered appropriate by the **City**, modifications to a Community Planning Permit with provisional or conditional approval, including changes to the **development** concept and supporting materials or to the conditions of provisional approval, may be made at any time, subject to the provisions within this **By-law** and the **City's** Official Plan as amended.

1.17.2 Review of proposed modifications

Proposed modifications to a Community Planning Permit with provisional approval will be reviewed in accordance with the relevant sections of this **By-law**.

1.17.3 Additional submission requirements

Proposed modifications may be subject to additional submission requirements to support the application, to the satisfaction of the Approval Authority.

1.17.4 Fees for modifying applications

Where an applicant applies to modify a Community Planning Permit with provisional approval, the fee should be equal to that which would be charged if the application was new. At the discretion of the Approval Authority, the fees may be waived or reduced if the change is minor, or the application to modify is received a short time after the issuance of the Community Planning Permit.

1.18 By-law amendment process

1.18.1 By-law amendment requirements

An amendment to this **By-law** shall be required:

- a) Where a proposal includes a **use** that is not a permitted or discretionary **use** (in this case, an amendment to the **City's** Official Plan as amended, may also be required).
- b) Where a proposal includes a proposed amendment to the Community Planning Permit Area and/or an amendment to the boundary of a precinct (in this case, an amendment to the **City's** Official Plan as amended, may also be required).

1.18.2 Initiating By-law amendment process

- a) An amendment to this **By-law** may be initiated by the **City** or by an applicant; and
- b) In accordance with the Planning Act, applications to amend this **By-law** shall not be made before the fifth anniversary of the **effective date** of this **By-law** unless in compliance with O. Reg. 173/16, s. 17 (5). In accordance with the Planning Act, amendments to this **By-law** are permitted through a Council resolution before the fifth anniversary of the **effective date** of this **By-law**.

1.18.3 Additional submission requirements

Any amendment to this **By-law** shall:

- a) Be supported by a comprehensive planning rationale and complete Official Plan Amendment Application, as required, within the context of the planned vision for all the lands within the area, subject to the By-law.

- b) Provide an engagement plan including details for providing public notification, open houses, and statutory public meetings in accordance with the Planning Act.

1.18.4 Supporting documents

The planning rationale to support any amendment to this **By-law** must evaluate the application in the context of the goals, objectives, guiding principles and intent of this **By-law** and conformity with the **City's** Official Plan as amended, and applicable provincial plans.

1.19 Existing uses, lots, buildings, and structures

1.19.1 Legal non-conforming uses

Nothing in this **By-law** shall apply to prevent the **use** of any land, **building** or **structure** for any purpose prohibited by the **By-law** if such land, **building**, or **structure** was lawfully used for such purpose prior to the **effective date** of this **By-law**, so long as it continues to be used for that purpose.

1.19.2 Restoration to a safe condition

Nothing in this **By-law** shall prevent the strengthening to a safe condition or the restructuring of any **building** or **structure** or part of any **building** or **structure** that is used for legal non-conforming **use** in accordance with provision 1.19.1 (Legal non-conforming uses), provided such an alteration or repair does not increase the height, size, volume or change the **use** of the **building** or **structure**.

1.19.3 Existing non-complying building and lots

- a) A **lot** in existence prior to the **effective date** of this **By-law** that does not meet the minimum **lot area** or **lot frontage** requirements of the applicable precinct is permitted to be **used** and **buildings** and **structures** thereon be erected, enlarged, rebuilt, repaired or renovated, provided the use conforms with this **By-law** and the **buildings** and **structures** comply with all other provisions of this **By-law**.
- b) A non-complying **building** or **structure** which existed legally prior to the **effective date** of this **By-law** may be enlarged, repaired, renovated or reconstructed through a Class 1 application process, provided that the

enlargement, repair, renovation or reconstruction complies with all applicable provisions of this **By-law**.

- c) Enlargement to an existing non-complying building or structure which existed legally prior to the effective date of this **By-law** where such new **development** does not comply with one or more applicable provision of this **By-law** shall be reviewed as a Class 2 or Class 3 application.

1.20 Lots reduced by acquisition for road widening or park dedications

1.20.1 Lots reduced for road and park dedications

- a) Nothing in this **By-law** applies to prevent the continued **use** of a **lot** reduced by public acquisition where road widening or **park** dedications result in reduced **lot area, lot frontage**, or a legally existing **building** or **structure** to have increased **lot coverage**, reduced area of **landscaped open space, front yard, side yard** or **rear yard** that does not conform to the regulations for the precinct in which such **lot** is located provided that:
- (i) No further reduction is made in the dimensions, area or any other characteristics of the **lot** as reduced, subsequent to the date of such acquisition, that would increase the extent of the said non-compliance.
 - (ii) No **building** or **structure** or addition thereto is erected on the **lot** as reduced, subsequent to the date of such acquisition, except in accordance with all the provisions for the precinct in which such **lot** is located.
- b) On existing **lots** and subdivisions, the land that has been dedicated may be included in any calculation for the purpose of determining **lot area, lot coverage, gross floor area**, floor area ratio, provided that any **building** or **structure** is in accordance with all of the regulations of the By-law applicable to the site.

2 Interpretation

2.1 Interpretation

2.1.1 Interpretation rules

The interpretation rules set out in this Section apply to all **By-law** provisions herein, unless the text of the **By-law** expressly states otherwise.

2.1.2 Precinct citations

Precinct citations will be described as a letter or a group of letters and labeled on the Schedule(s) of this **By-law**. Precinct citations may be followed by a number, a suffix, or a number and suffix. A prefix may be applied before the precinct citation.

2.1.3 Precincts and precinct symbols

This **By-law** establishes the following precincts and places all lands subject to this **By-law** in one or more of the following precincts:

HDR	High Density Residential
MDR	Medium Density Residential
LDR	Low Density Residential
NCC	Neighbourhood Commercial Centre
D1	Downtown 1
D2	Downtown 2
D3	Downtown 3

DI	Downtown Institutional
DMTS	Downtown Major Transit Station
POS	Parks and Open Space
NHS	Natural Heritage System

2.1.4 Precinct boundaries

When determining the boundary of any precinct as shown on Schedule B, the following provisions apply:

- a) Where a precinct boundary is indicated as following a **street, lane**, unopened road allowance, railway right-of-way or utility corridor, the boundary is the edge of such **street, lane**, unopened road allowance, railway right-of-way or utility corridor.
- b) Where a precinct boundary is indicated as substantially following **lot lines**, the precinct boundary follows such **lot lines**.
- c) Notwithstanding subsection b, the Natural Heritage System precinct boundaries follow the mapped boundaries in the Official Plan.
- d) Where a precinct boundary is indicated as following flooding hazard limits established by the Grand River Conservation Authority, the precinct boundary shall be the flooding hazard limits as determined by the Grand River Conservation Authority.
- e) Where a public authority has expropriated part of a **lot** for the widening of a **street**, the precinct boundary shall move such that it corresponds to the location of the new **lot line**.
- f) Where none of the above provisions apply, the precinct boundary or overlay boundary is to be scaled from Schedule B.

2.1.5 Multiple precincts on a lot

- a) Where a **lot** falls into two or more precincts, each portion of the **lot** shall be subject to the applicable **use** permissions and regulations for the applicable precincts applying to that portion of the **lot**.
- b) A precinct's boundary dividing a **lot** into two or more precincts is not a **lot line** for the purposes of this **By-law**; and
- c) Where two or more precincts apply to a **lot** and one of the precincts is the Natural Heritage System precinct, the boundary between the Natural Heritage System precinct and the other precinct(s) is considered a **lot line** for the purposes of calculating **density** and **floor space index** requirements.

2.1.6 Site-specific exceptions

- a) Where a precinct symbol shown on the Schedule(s) of this **By-law** contains a hyphen followed by a number, the number represents a site-specific provision that applies to the lands noted. Site-specific provisions are listed in Section 7.0 (Site specific provisions) of this **By-law**; and
- b) The regulations of the site-specific provision supersede any inconsistent regulations in the remainder of this **By-law**.

2.1.7 Metric conversion clause and rounding

- a) All imperial measurements converted to metric and all figures submitted in metric shall be rounded to the nearest decimetre, or rounded to the nearest tenth of a metre to determine **By-law** compliance.

Example: 29.489 metres - 29.5 metres / 1893.76899 feet = 577.22076 metres = 577.2 metres

- b) All measures of length or area used in the **By-law** are subject to the following:
 - (i) Measurements where the second number of the decimal is four or less than the first decimal number shall remain the same (e.g., 2.449 = 2.4).

-
- (ii) Measurements where the second number of the decimal is five or greater than the first number of the decimal shall be increased by one or rounded upward (e.g., 2.45 = 2.5).

2.1.8 Illustrations, notes and examples

Illustrations, notes and examples are provided for the purpose of clarification. They do not form part of this **By-law**. Illustrations are intended to communicate applicable Class 1 **development** standards.

2.1.9 Defined terms

Bolded terms are defined in Section 3.0 (Definitions) of this **By-law**. Defined terms are intended to capture both the singular and plural forms of these terms. For non-bolded terms, the grammatical and ordinary meaning of the word applies. Terms may be bolded only in specific regulations; for these terms, the defined meaning applies where they are bolded and the grammatical and ordinary meaning applies where they are not bolded. Defined terms have not been bolded in headers and titles.

- e) The **home occupation** shall not involve the use of the **lot** or **dwelling unit** as a base for persons who are non-resident employees, partners or associates of the **home occupation** but work off-site, nor shall the **lot** or **dwelling unit** be used for the assembly of persons who require transportation to a work site.
- f) The **home occupation** shall not involve the shipping or receiving of goods or materials by **vehicles, commercial** other than automobiles or delivery vans used by courier services.

4.17.3 Regulations for bed and breakfast establishments

In addition to the **home occupation** regulations in provision 4.17.1 (General regulations), every **bed and breakfast** establishment shall be developed in accordance with the regulations for the precinct in which the **bed and breakfast** establishment is located.

- a) Despite 4.17.1 a), a **bed and breakfast** is not limited to a maximum **gross floor area**.
- b) Despite 4.17.1 d) a **bed and breakfast** is not limited to 3 clients at one time.

4.17.4 Regulations for private home day care establishments

- a) Despite 4.17.1 a), a **day care, private home** is not limited to a maximum **gross floor area**.
- b) Despite 4.17.1 d), a **day care, private home** can serve a maximum of 5 children on the property at one time.

Note: Every person conducting a **home occupation** shall ensure that the **use** is conducted in accordance with all other applicable law including but not limited to health and safety requirements, business licensing requirements and building and fire code requirements.

4.18 Fences

4.18.1 Calculation of fence height

The height of any **fence** shall be measured from the average ground elevation at the supporting posts. In the case of a mutual **fence**, height shall be measured from the highest ground elevation of either property at the supporting posts.

4.18.2 General regulations

Fences shall comply with the provisions of Section 4.7 (Sight line triangles).

4.18.3 Residential precincts (LDR, MDR, HDR)

- a) The maximum height of a **fence** located in the **front yard** is 0.8 metres in height;
 - (i) Despite 4.17.3 a), on a **corner lot** where the principal entrance of a **single detached dwelling** or **semi-detached dwelling** faces the **exterior side lot line**, a **fence** located in the **front yard** shall not exceed 1.9 metres in height from the midpoint of the **main building** to the **interior side lot line** when located up to 0 metres of a **front lot line**.

-
- (ii) Despite 4.17.3 a), on a **corner lot** where the principal entrance of a **single detached dwelling** or **semi-detached dwelling** faces the **exterior side lot line**, a **fence** located in the **front yard** shall not exceed 2.5 metres in height from the midpoint of the **main building** to the **interior side lot line** when it is **setback** 4 metres from the **front lot line**.
- b) The maximum height of a **fence** located in the **exterior side yard** shall;
 - (i) Not exceed 1.9 metres in height from the midpoint of the **main building** to the **rear lot line** when located up to 0 metres of an **exterior side lot line**.
 - (ii) Not exceed 2.5 metres in height from the midpoint of the **main building** to the **rear lot line** when **setback** 4 metres from the **exterior side lot line**.
 - (iii) Not exceed 0.8 metres in height in the remaining **exterior side yard**, located from the midpoint of the **main building** towards the **front lot line**.
 - c) The maximum height of a **fence** located in the **interior side yard** is 1.9 metres in height.
 - d) The maximum height of a **fence** located in the **rear yard** is 2.5 metres in height.
 - e) Despite 4.17.3 a), b), c), d), one **fence** gate is permitted in each yard with a maximum height of 3 metres and a maximum area of 5 square metres provided the **fence** gate is not located in the sight line triangles and general sight lines (Section 4.7). This structure may be located with a 0 metre **lot line setback**.

4.18.4 Other precincts

- a) The maximum height of a **fence** located in a **front yard, interior side yard** or **exterior side yard** is 0.8 metres.
 - b) The maximum height of a **fence** located in a **front yard, interior side yard** or **exterior side yard**, setback 4 metres from a **street line**, is 1.6 metres in height.
-

- c) The maximum height of a **fence** located in a **rear yard** is 1.8 metres in height except where:
- (i) The portion of the **fence** in excess of 1.8 metres in height is of an open nature with openings representing not less than 50 per cent of the surface area of the **fence** portion which exceeds 1.8 metres and in no case shall the maximum height of such **fence** exceed 3 metres.

4.19 Occasional uses

4.19.1 General regulations

- a) **Occasional uses** are permitted for a time period of not more than a total of 120 days per calendar year.
- b) No **occasional use** shall be offensive by way of the emission of light, heat, including a **noxious use** or pollution of any kind.
- c) Any **occasional use** is permitted to be conducted outdoors and shall comply with Section 4.21 (Enclosed operations).
- d) Despite 4.21(d), an **occasional use** is permitted to occupy required **parking spaces**.
- e) A special event and associated temporary **structures** are permitted as an **occasional use**.

4.20 Temporary buildings and structures

4.20.1 Construction trailer

A trailer on a construction site is permitted provided such trailer is removed upon the construction being completed, a final inspection of such **building** being conducted or until the **building** permit is revoked, whichever occurs first.

4.20.2 Real estate sales office

A real estate sales **office** is permitted on a construction site until such construction is completed or a final **building** inspection is conducted, whichever event occurs first.

4.20.3 Model home

- a) A model home shall comply with all other requirements of this **By-law** for the applicable precinct with the exception of the legal off-street parking requirements.

-
- b) The **building** shall be used for the purpose of a model home only and shall not be occupied prior to the date of registration of the subdivision, condominium, or similar development agreement. The legal off-street parking must be restored once converted to residential use.

4.20.4 Temporary fence

Despite 4.17 (**Fences**), temporary construction fencing, as required by the **City** or other legislation, is exempt from **front yard fence** height regulation.

4.21 Enclosed operations

- a) The operations of every commercial or employment precinct shall be conducted within an enclosed **building** or **structure**, except for the following which may be conducted outdoors, where permitted by the precinct:

 - (ii) An **outdoor display and sales area** associated with a permitted **occasional use**.
 - (iii) An **outdoor display and sales area** of a **garden centre** or seasonal **garden centre, vehicle sales establishment**, major equipment supply and service, or **building supply**.
- b) Every **outdoor display and sales area** shall be **setback** a minimum of 3 metres from every **street line** and in accordance with Section 4.7 (Sight line triangles).
- c) An **outdoor display and sales area** or special event may have temporary tents or trailers in accordance with Section 4.6 (Accessory buildings or structures).
- d) No **outdoor display and sales area** shall occupy any required **parking space, driveway, parking aisle** or **loading space**.
- (i) Despite 4.20(d), **occasional uses** are permitted to occupy a required **parking space** in accordance with provision 4.19.1(d) (**Occasional uses**).

4.22 Complementary use

- a) Complementary **uses** are permitted if listed in the permitted **use** table of each precinct.
- b) Complementary **uses** are permitted within a **multi-unit building** in combination with a primary permitted **use**.

4.23 Accessory uses

- a) **Accessory uses** are only permitted if listed in the permitted **use** table of each precinct.
- b) Every **accessory use** shall be located in the same **building** or **structure** as the permitted **use** to which it is devoted and shall not occupy more than 25 per cent of the **net floor area** of the said **building** or **structure**.

4.24 Road allowance requirements for specific roads

Despite any other provision of this **By-law** except for provision 1.21.3 (Existing non-complying buildings and lots), no **building** or **structure** shall be erected or located closer to the original **street line** fronting the **street** listed in Table 5.1 of the City of Guelph Official Plan in force and effect on the **effective date** of this **By-law**, than the minimum **setback** required by this **By-law** plus the Widening Specification listed in Table 5.1 of the **City's** Official Plan in force and effect on the **effective date**, for that **street**.

4.25 Lodging house type 1

- a) Where permitted by a precinct, a **lodging house type 1** is permitted to occupy the whole of a **single detached dwelling**.
- b) A **lot** containing a **lodging house type 1** shall not contain an **additional dwelling unit** within the **primary dwelling unit** or in a separate **building** on the same **lot**.
- c) A **lodging house type 1** is limited to a maximum of 12 **lodging units**.

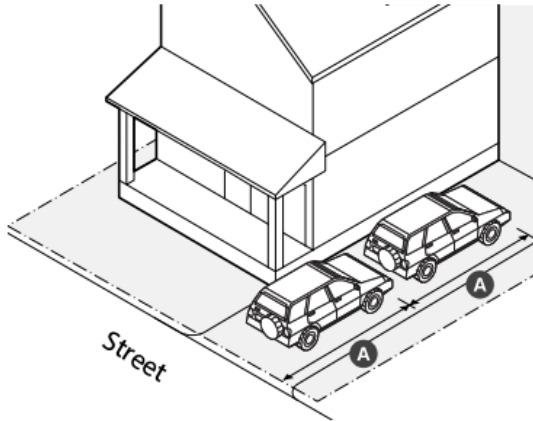

d) Off-street parking for a **lodging house type 1**:

- (i) Despite Section 5 (Parking), where 1 or more **parking spaces** are located to the rear of the main front wall of the **lodging house type 1**, a maximum of 2 **parking spaces** with a minimum size of 2.5 metres wide by 5.5 metres long may be located in the **driveway, residential** and be counted as part of the parking requirement for the **lodging house type 1**.
- (ii) The **parking spaces** referred to in Section 4.25 d) (i) may be stacked.

4.26 Group home

- a) Where permitted by a precinct, a **group home** is permitted to occupy the whole of a **single detached dwelling**, or both units of a **semi-detached dwelling** or **duplex dwelling**.
- b) The minimum **amenity area** for any **group home** is 12 square metres for each resident, including live-in staff or receiving family, and not less than a total of 100 square metres for each **group home**. Any **amenity area** shall be located in the **rear yard**.
- c) The maximum occupancy for a **group home** is 8 residents.
- d) **Parking spaces** provided for a **group home** may be stacked.

 - Shall not occupy any **Accessible parking space**.
 - Shall be in accordance with Section 4.7 (Sight line triangles).

4.29 Shipping container

- a) A **shipping container** placed on a property shall be considered a **structure** and shall be subject to the provisions of this **By-law**.
- b) A **shipping container** may be used for outdoor storage, for the primary **use** of the building, where permitted and in accordance with the following provisions:
 - (i) **Shipping containers** used for storage shall be placed within the permitted **outdoor storage area**, in accordance with Section 4.12 (Outdoor storage).
 - (ii) A **shipping container** shall not be stacked on top of another **shipping container**.
- c) A **shipping container** is not permitted to be used for storage on a **lot** in residential precincts on a permanent basis.
- d) Where a **shipping container** is converted and used as a construction material for a **building** or an **accessory building or structure** it is considered a **building** or **structure** and shall comply with the applicable precinct regulations and/or Section 4.6 (Accessory building or structures).
- e) Despite Section 4.29 b), a **shipping container** is permitted in association with a storage facility **use**.

4.29.1 Temporary shipping containers

- a) Despite Section 4.28 b), a **shipping container** may be permitted in a **driveway, residential** for a period not exceeding 30 days in any given year, provided that the **shipping container** is not located within or blocking access to a required **parking space**, and that the **shipping container** is **setback** a minimum of 0.6 metres from a **street line**.
- b) Despite any other provision of this **By-law**, a **shipping container** is permitted on a construction site in any precinct for the purposes of temporary storage of equipment and materials incidental to construction only, until such construction is substantially completed, or a final building inspection is conducted, whichever event occurs first.

-
- c) A **shipping container** is permitted as an **occasional use** in accordance with Section 4.19 (Occasional uses).

4.30 Building transition for apartment buildings and buildings in Downtown precincts

Where an **apartment building** is proposed in any precinct or where a **building** is proposed in the D1, D2, D3, or DMTS precinct that abuts a property identified as Low Density Residential or Medium Density Residential on Schedule 2 of the Guelph Official Plan, or abuts a property identified as LDR or MDR precinct on Schedules B1 of this **By-law**, or abuts an existing or new **park**, development shall incorporate transitions to minimize the impact of shadow and maximize access to sunlight, sky view, and privacy on neighbouring properties through one (1) or more of the following methods to be incorporated to the satisfaction of the Approval Authority, including but not limited to:

- a) Increased **yard setbacks**.
- b) **Building setbacks**.
- c) Reduction in **building** massing.
- d) Introduction of intervening ground-oriented dwelling or built form.
- e) Other approaches informed by relevant City approved urban design guidelines.

Where a **building** is proposed in a D1, D2, D3, or DMTS precinct that abuts a property designated as Low Density Residential or Medium Density Residential on Schedule 2 of the Guelph Official Plan, or abuts a property identified as LDR or MDR precinct on Schedule B of this **By-law**, or abuts an existing or new **park, development** shall incorporate transitions to minimize the impact of shadow and maximize access to sunlight, sky view, and privacy on neighbouring properties through one (1) or more of the following methods to be incorporated to the satisfaction of the Approval Authority, including but not limited to:

- a) Increased **yard setbacks**;
- b) **Building setbacks**;
- c) Reduction in **building** massing;

-
- d) Introduction of intervening ground-oriented dwelling or built form; or
 - e) Other approaches informed by relevant **City** approved urban design guidelines.

5 Parking

No land shall be used, and no **building** or **structure** shall be used or erected in any precinct unless off-**street parking spaces, parking areas, driveways, loading spaces**, or any other applicable requirement specified within this section, are provided, and maintained in accordance with all applicable provisions, unless explicitly stated otherwise.

The parking and loading requirements of Section 5.0 may be varied in accordance with this **By-law** and the following:

- a) Any variation to the required number and dimension of parking, **driveways** and **parking aisles** and **loading spaces**, except **accessible parking space** requirements, shall be considered a Class 2 variation.
- b) Where a **dwelling unit** qualifies as an affordable **dwelling unit**, the minimum number of required resident **parking spaces** for the **dwelling units** may be reduced at the discretion of the Approval Authority.

5.1 Parking exemption in Downtown Area.

In the Downtown Permit Area, no parking is required. Where parking is proposed to be provided, the **parking spaces** shall comply with the design regulations in Section 5.4.2, the required ratios of **accessible parking spaces** and shall be provided in accordance with Table 5.3 for **accessible parking spaces** and Section 5.88 for electric vehicle parking.

For further clarity, the parking exemption in the Downtown Area does not apply to required **bicycle parking spaces** or **accessible parking spaces** when parking is provided.

5.2 Calculation

If the calculation of the required **bicycle parking spaces** results in a fraction, the **bicycle parking spaces** shall be rounded up to the next higher whole number.

5.3 Location

Every off-**street parking area** shall be located on the same **lot** as the **use** the parking serves and shall not infringe on or obstruct any required **loading spaces**, walkways, or other site elements required pursuant to this **By-law**.

5.3.1 Residential uses

- a) For every **single detached dwelling, semi-detached dwelling, on-street townhouse, rear access on-street townhouse, duplex dwelling, triplex, and fourplex**, the following provisions apply:
- (i) Every **parking space** for the **uses** specified in 5.3.1 a) shall be located a minimum distance of 6 metres from the **street line** and to the rear of the front wall of the **main building**.
 - (ii) Where an off-**street parking space** does not exist and where such space cannot be provided to the rear of the front wall of the **main building** of an existing **dwelling unit**, 1 off-**street parking space** may be wholly or partially located within the required **front yard** provided such **parking space** is **setback** a minimum of 0.5 metres from the **side lot line**.
 - (iii) Despite 5.3.1 a) (i), in the case of a **through lot, parking spaces** may be wholly located within one of the **front yards**, behind the front wall of the **main building** and be **setback** a minimum of 0.5 metres from the **side lot line**.
 - (iv) Except for **rear-access on-street townhomes**, when situated in the **rear yard**, an exterior **parking area** shall be **setback** 0.5 metre from any **lot line** and is to be screened from adjacent properties with a minimum 1.5 metre high solid **fence** or suitable landscaping consisting of sod, trees, shrubbery, or berms.

Parking location for residential uses

a. Exterior parking space

b. Interior parking space

c. Rear yard parking area

5.3.2 Cluster, stacked, back-to-back, stacked back-to-back townhouse, and apartment buildings

For any **cluster, stacked, back-to-back, stacked back-to-back townhouse, and apartment buildings**, the following provisions apply:

- a) Every **parking space** for the **uses** specified in 5.3.2 shall be located in the **interior side yard** or **rear yard**, and any **parking area** or **parking space** shall be **setback** 3 metres from any **lot line**.
- b) Any surface **driveway** or surface **parking area** shall be **setback** 3 metres from a **building** wall containing an entrance or any window of a **habitable room** for **dwelling units** located on the **first storey** or **basement**.

- c) On a **lot** 9,000 square metres or greater, a maximum of 75 per cent of the residential **parking spaces** for **buildings** with a residential **density** over 100 units per hectare (uph), shall be permitted in surface **parking areas**.
- d) A minimum clearance of 1.5 metres shall be provided from an **access driveway** to any above ground utility **structure** and/or city-owned street tree.

5.3.3 Commercial, institutional, utility uses

- a) No **parking area** or **parking space** shall be located within 3 metres of any **street line** or any other **lot line**.
 - (i) Despite 5.3.3(a), where a **parking area** is shared between one or **lots** in a commercial precinct, the **parking area** may be located up the **interior side** or **rear lot line** for the extent of the shared **parking area**.
- b) A **parking area** shall be screened from any **street** with landscaping consisting of trees, shrubs or berms.
- c) In any commercial or downtown precinct, **parking spaces** and **parking areas** shall be located in **interior side yards** or **rear yards**.
- d) In any commercial precinct, no **parking area** or **parking space** shall be located within 15 metres of the **lot line** of a **corner lot** of any intersection of an existing and proposed arterial and/or collector road, as identified in the **City's** Official Plan in force and effect on the **effective date** of this **by-law**. On a lot 9,000 square metres and greater, a maximum of 75 per cent of the residential **parking spaces** for **buildings** with a residential **density** over 100 units per hectare (uph), shall be permitted in surface **parking areas**.

5.3.4 Structured and underground parking

- a) An underground parking **structure** containing a **parking area** does not require a **setback** from any **lot line**.
 - b) Where an underground parking **structure** is located in accordance with 5.3.4 a) and is located below a required **landscaped open space** area or **buffer strip**, there shall be a minimum depth of 1.2 metres above the **structure**.
-

- c) Within the downtown precincts, a structured **parking area** within the **first storey** of a **building** shall be **setback** from the **street line** a minimum of 4.5 metres
- d) Within any residential precinct, a structured **parking area** within the **first storey** of a **building** shall be **setback** from the **street line** a minimum of 10 metres.

5.4 Design

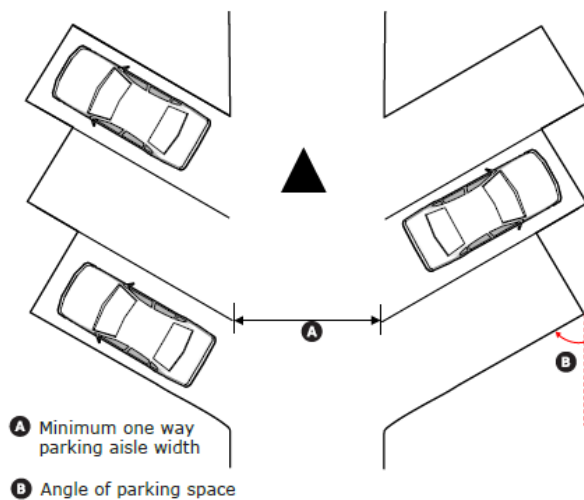

5.4.1 Driveways and parking aisles

- a) Every off-**street parking area** shall be provided with adequate means of ingress and egress to and from a **street** or **lane** and shall not interfere with the normal public use of a **street**.
 - b) Every **driveway** associated with such **parking areas** and **parking spaces** shall have a minimum width for access to a **street, public** or **lane** of 3 metres.
 - c) For **lots** with 10 **dwelling units** or less, **vehicle** access to a **parking area** shall be by 1 **driveway** only.
 - d) In a downtown precinct, **vehicle** access to a **parking area** is by 1 **driveway, access** only, which shall have a minimum width of 6 metres throughout its length.
 - e) The minimum width of a **parking aisle** providing two way access shall be 6.5 metres.
 - f) The minimum width of a **parking aisle** providing two way access to parallel **parking spaces** shall be 6.1 metres.
 - g) The minimum width of a **parking aisle** providing one way access to parallel **parking spaces** shall be 4 metres.
 - h) The minimum width of a **parking aisle** providing one way access to angled **parking spaces** shall be provided in accordance with Table 5.1.
-

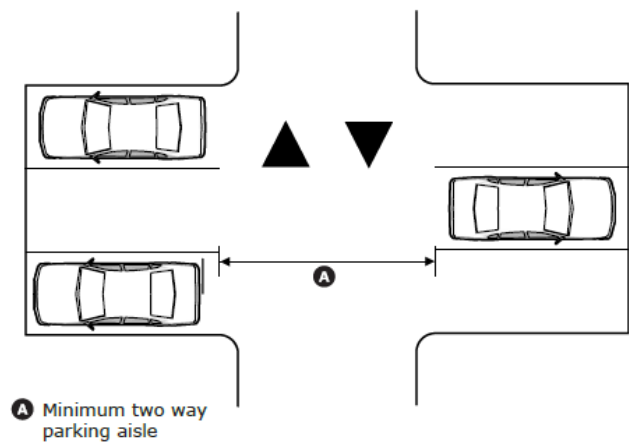

Table 5.1: Minimum one-way parking aisle width for angled parking

Row	Angle of parking space	Minimum parking aisle width (m)

5.4.3 Compact parking space dimensions

- a) A maximum of 15 per cent of the minimum required **parking spaces** may be designed, provided, and maintained for compact **vehicles**.
- b) Despite any other provision, **parking spaces** for compact **vehicles** shall have a minimum size of 2.4 metres in width and 5.5 metres in length, except this shall not apply to parallel **parking spaces** or **accessible parking spaces**.

5.4.4 Surface treatment of parking areas

The surface treatment of **parking areas** and **parking spaces** shall be constructed and maintained with concrete, asphalt, or pavers, and curbed with a continuous poured concrete curb.

5.5 Loading space requirements

- a) All **loading spaces** shall be located in the **rear yard** or **interior side yard**.

-
- b) All **loading spaces** shall be screened from any **street** with a wall of not less than 2 metres in height, and landscaping consisting of trees or shrubs.
- (i) Despite 5.5(b), where a **loading space** faces a **street**, the **loading space** shall be screened from the **street** with landscaping consisting of trees, shrubs, or berms.

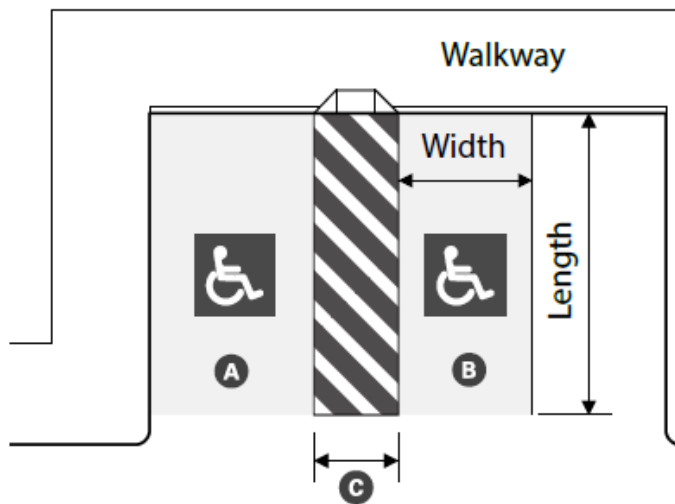

5.6 Accessible parking

Accessible parking shall be provided for **uses** on **lots** where parking is provided, in accordance with the provisions of this Section.

- a) Accessible parking rates
- (i) Where **parking spaces** are provided, **Accessible parking spaces** shall be provided in accordance with the requirements set out in **Table 5.3: Accessible Parking Rates**.
- (ii) Despite Section 5.6 a) (i), a required Type B **Accessible parking space** may be satisfied as a Type A **Accessible parking space**.
- (iii) Despite Section 5.6 a) (i), **single detached dwellings, semi-detached dwellings, duplex dwellings, townhouse, on-street, townhouse, rear access on-street, multi-unit buildings** with 3 **dwelling units** or less and **additional dwelling units** shall not require **accessible parking spaces**.
- (iv) Where more than one **use** providing off-**street parking spaces** is proposed on a **lot**, the number and type of **accessible parking spaces** shall be calculated based on the number of **parking spaces** provided for each **use**.
- b) **Accessible parking space** design requirements
- (i) **Accessible parking spaces** shall be designed, installed and maintained in accordance with the minimum specifications set out in **Table 5.3**.
- Despite **Table 5.3**, a **driveway, residential** for a **vehicle, accessible** is permitted to have a width of 4.9 metres, 1.5 metres of which must be

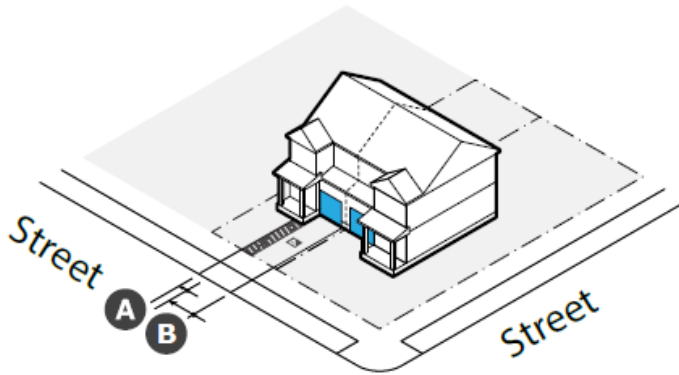

identified with hatched diagonal lines as a pedestrian access and no **vehicle** parking shall occur on the hatched portion of the **driveway, residential**.

Footnotes: Additional regulations for **Table 5.5:**

1. In **buildings** having less than 10 **dwelling units**, no **bicycle parking spaces** are required for the residential component.
2. The required **bicycle parking space, short term** for any **use** may be located on the **lot** on which the **use** is located, and/or on the **street** abutting the **lot**.

5.7.1 Bicycle parking space, long term - design and location

- a) **Bicycle parking spaces, long term**, shall not be provided within a **dwelling unit** or suite.
- b) Despite Section 5.7.1 (a), the required **bicycle parking spaces, long term** for **back-to-back, cluster, stacked** and **stacked back-to-back townhomes** may be located in a dedicated indoor storage closet at the main entrance of the **dwelling unit** located below finished grade or at ground level. Such **bicycle parking spaces** are not required to provide vertical clearance or abut an access aisle in accordance with Section 5.7.3.

-
- c) For **stacked townhouses** and **stacked back-to-back townhouses**, a **bicycle parking space, long term** for **dwelling units** located below finished grade, may be provided in an exterior under-stairwell enclosure. Such **bicycle parking spaces** are not required to provide vertical clearances or abut an access aisle accordance with Section 5.7.3.
 - d) **Bicycle parking spaces, long term** provided in an outdoor bicycle locker are not required to provide vertical clearance in accordance with Section 5.7.3.
 - e) **Bicycle parking spaces, long term** provided in centralized room(s) within a **building** or **structure** shall be required to provide a minimum of 25 per cent of the spaces within the building or structure in a horizontal ground mounted position in accordance with Section 5.7.3 and may include the bottom level of stacked **bicycle parking spaces** provided in accordance with Section 5.7.3
 - f) For lots with 50 **dwelling units** or more, a minimum of 2 per cent of the required **bicycle parking spaces, long term** shall be provided as oversized **bicycle parking spaces** in accordance with Section 5.7.3 each with access to an electrical outlet.

5.7.2 Bicycle parking spaces, short term – design and location

- a) For all uses except **back-to-back, cluster, stacked** and **stacked back-to-back townhouses, bicycle parking spaces, short term** shall be located no more than 25 metres from the primary pedestrian entrance or one of the primary pedestrian entrances to the building.
- b) A minimum of 25 per cent of the required **bicycle parking spaces, short term** shall be weather protected.

5.7.3 Bicycle parking space and aisle dimensions

- a) Horizontal **bicycle parking** spaces shall:
 - (i) Be a minimum dimension of 0.6 metres wide by 1.8 metres horizontal length, with a minimum vertical clearance of 1.9 metres.
 - (ii) Be accessed by an aisle with a minimum width of 1.5 metres.

-
- b) Vertical **bicycle parking spaces** shall:
- (i) Have a minimum dimension of 0.6 metres wide by 1.8 metres vertical length, where the bike, when secured on the storage rack is provided with a minimum horizontal clearance from the wall of 1.2 metres.
 - (ii) Be accessed by an aisle with a minimum width of 1.2 metres
- c) Stacked **bicycle parking spaces** shall:
- (i) Have a minimum dimension of 0.6 metres wide by 1.8 metres horizontal length, with a minimum vertical clearance of 1.2 metres per space, for a total of 2.4 metres for 2 spaces.
 - (ii) Be accessed by an aisle with a minimum width of 1.5 metres.
- d) Oversized **bicycle parking spaces** shall:
- (i) Be a minimum dimension of 1.0 metres wide by 2.6 metres in horizontal length, with a minimum vertical clearance of 1.9 metres.
 - (ii) Be accessed by an aisle with a minimum width of 1.5 metres.

5.8 Electric vehicle parking requirements

- a) A minimum of 20 per cent of the total provided **parking spaces** for **multi-unit buildings** with 3 or more **dwelling units** and **mixed-use buildings** shall be provided as **electric vehicle parking spaces**.
- b) A minimum of 80 per cent of the total provided **parking spaces** for **multi-unit buildings** with 3 or more **dwelling units, townhouse- cluster, stacked, stacked back-to-back**, and **mixed-use buildings** shall be provided as **designed electric vehicle parking spaces**.
- c) For any non-residential **use**, a minimum of 10 per cent of provided **parking spaces** shall be provided as **electric vehicle parking spaces** and a minimum of 20 per cent shall be provided as **designed electric vehicle parking spaces**.

5.9 Parking spaces within automated parking systems

Parking spaces provided within an **automated parking system** shall not apply to satisfying required **accessible parking spaces** and/or **electric vehicle parking spaces**.

5.10 Garages and Driveways- residential precincts

5.10.1 Maximum width of attached garage - residential

The maximum permitted **garage width** for **single detached dwelling, semi-detached dwelling, duplex dwelling, townhouse-on-street, townhouse-cluster**, shall be in accordance with **Table 5.6**.

	D1, D2, D3, DMTS	Class 2 Staff Variation
	Despite minimum stepback provisions contained within this table, where a lot abuts Gordon Street or Wellington Street the minimum stepback shall be 3 metres and shall be required for all portions of a building above the 6th storey . Stepbacks shall be measured from the building face of the 3rd storey facing a street .	
Building tower separation	Any portion of a tower above the 12th storey of a building shall be separated by a minimum of 25 metres from any portion of another tower above the 12th storey of any building , measured perpendicularly from the exterior wall at the 13th storey . For any portion of a tower at or below the 12th storey of a building : (i) A minimum tower setback of 6 metres is required from the side lot line and/or rear lot line ; (ii) Shall be separated by a minimum 12 metres from any portion of another tower at or below the 12th storey of any building , measured perpendicularly from the exterior wall of the tower .	May be reduced by 20 percent of the standard. The tower setback may be reduced to a minimum of 3 metres from the side lot line and/or rear lot line if there are no windows to a habitable room on the facing wall of an existing abutting building .
Building height (min)	Schedule C establishes the minimum building heights in downtown precincts . Minimum building height is not applicable to accessory buildings or structures .	May be reduced to no minimum building height for D1, D2, D3 and DTMS.
Building height (max)	In addition to the provisions of Section 4.16, the following shall also apply: The Downtown Building height , Schedule C2 establishes the maximum building heights in downtown precincts. Schedule C1 indicates several areas where an urban design master plan is required, to the satisfaction of the approval authority, before development can be approved based on the maximum building heights permitted.	Variations to maximum building heights shall only be considered through a Class 3 permit, where it does not require an Official Plan Amendment or Amendment to this By-law .

6.3.3 Additional Regulations for buildings with active frontage area

Despite **Table 6.9**, the following provisions apply to the **street line** or portion thereof, identified as **active frontage area** in accordance with Downtown **Active Frontage Area** Overlay, as shown on Schedule B-5. If the **active frontage area** only applies to a portion of the **street line**, the regulations of **Table 6.11** shall only apply to that portion identified.

Table 6.11: Regulations for buildings with active frontage

Table 6.11: Regulations for buildings with active frontage		
	D1, D2, D3, DMTS	Class 2 Staff Variation
Front yard or exterior side yard setbacks (min)	Where a street line , or portion thereof, identified as active frontage area exceeds 35 metres, the maximum front yard and/or exterior side yard setback shall be 0.5 metres for a minimum of 75% of the street line . The remaining 25% of the street line shall have a maximum front yard and/or exterior side yard setback of 2 metres. Where a street line , or portion thereof, identified as active frontage area is less than or equal to 35 metres, the maximum front yard and/or exterior side yard setback shall be 0.5 metres.	Class 2 permit may be issued subject to the intent of the standard being achieved through an alternative method to the satisfaction of the Approval Authority. May be modified by 5 percent of the standard.
Front yard setbacks	Despite Table 6.10 where a lot abuts Wellington Street East between Gordon Street and Wyndham Street South the building setback shall be a minimum of 10 m from the Wellington Street East street line .	Class 2 permit may be issued subject to the intent of the standard being achieved through an alternative method to the satisfaction of the Approval Authority.
Minimum first storey height	The minimum first storey height shall be 4.5 metres.	May be modified by 25 percent of the standard.
Active entrances	The minimum number of active entrances to the first storey on the front yard and/or exterior side yard building façade	Class 2 permit may be issued subject to the intent of the standard being

	<p>shall be 1 for every 15 metres of street line or portion thereof identified as active frontage area, but shall not be less than 1. For the purposes of calculating the minimum number of building entrances required, any fraction of a building entrance shall be rounded to the next highest whole number.</p> <p>Active entrances shall be at or within 0.2 metres above or below finished grade.</p>	<p>achieved through an alternative method to the satisfaction of the Approval Authority.</p> <p>Class 2 permit may be issued subject to the intent of the standard being achieved through an alternative method to the satisfaction of the Approval Authority.</p>
First storey facade	<p>A minimum of 50% of the surface area of the first storey façade, measured from the finished grade up to a height of 4.5 metres, facing a street, public or public square must be comprised of a transparent window and/or active entrances.</p>	<p>May be reduced by 5 percentage points (e.g., 50 percent to 45 percent).</p>
First storey uses	<p>Despite Table 6.10, the uses identified in the active uses column in Table 6.8 with a "P" shall occupy a minimum of 60% of the street line. Where an existing building occupies less than 60% of the street line, the uses identified in the active uses column in Table 6.8 with a "P" shall occupy all portions of a building of the first storey immediately abutting a street line.</p>	<p>Percentage of active use may be reduced by 10 percentage points (e.g., from 60 percent to 50 percent).</p>
Driveway access	<p>A driveway, non-residential is prohibited at grade or in the first storey of a lot or building for the first 6 metres of the depth measured in from the street line. Despite this provision, where the entirety of a lot's street frontage is included in the active frontage area, a maximum of 1 driveway shall be permitted perpendicular to the street line within the active frontage area in accordance with all other requirements of this By-law.</p>	<p>May be reduced by 5 percent of the standard.</p>

6.3.4 Licensed establishments

The following regulations shall apply within the area outlined on the Downtown **Licensed establishment** Overlay, as shown on Appendix C4.

7 Site specific provisions

7.1 Holding provisions

7.1.1 H2

(H2) 89 Duke **Street** and 92 Arthur **Street**

As shown on Appendix A of this **By-law**.

a) Purpose:

To ensure that single detached residential **development** does not occur until the completion of certain conditions to the satisfaction of the **City**.

b) Permitted Interim use: A parking lot.

c) Conditions:

(i) Prior to the removal of the holding provision (H), the owner shall complete the following conditions to the satisfaction of the **City**:

- Parkland Dedication
 - The owner shall make arrangements satisfactory to the **City** respecting parkland dedication or payment to the **City** of cash-in-lieu for parkland dedication in accordance with by-law (1989)-13410, as amended from time to time, or any successor thereof, at the rate in effect at the time of application for a **building** permit for any number of units exceeding a total of four residential units.
- Phasing
 - The owner shall enter into agreement(s) respecting phasing of the **development** of the said lands to the satisfaction of the **City**.
- Agency Circulation and Information Meeting
 - An application to remove the holding provision (H) shall be circulated for comment and review to such persons, public bodies, and agencies as the **City** considers appropriate. Prior to the

removal of the holding provision (H), an information Meeting of Council shall be held with notice given to such persons, public bodies and agencies as the **City** considers appropriate.

- The owner shall enter into an agreement with the **City** covering the conditions listed below:
 - That, prior to issuance of a **building** permit and prior to any severance of the lands, the owner shall deed to the **City**, free of all encumbrances, a triangular road widening in the southerly corner of **lot** 42 abutting Arthur **Street** with a frontage of 6 metres and a depth of 2 metres.
 - That, prior to issuance of a **building** permit and prior to any severance of the lands, the owner shall grant the **City** a new easement from Duke **Street** to Arthur **Street**, for a water main, satisfactory to the **City** Solicitor and the Director of Works.
 - That the owner pays Development Charges, to the **City**, in accordance with **By-law** (1994)-14533, as amended from time to time, or any successor thereof, prior to issuance of a **building** permit, at the rate in effect at the time of issuance of the **building** permit.
 - That the owner applies for sanitary and water laterals and pays the rate in effect at the time of application prior to issuance of a **building** permit.
 - That the owner builds on the **lot** and grades and drains the **lot** in accordance with a plan that has been submitted to and approved by the Director of Works prior to issuance of a **building** permit.

- That the owner constructs the **building** at such an elevation that the lowest level of the **building** (whether **basement**, cellar or crawl space) can be serviced with a gravity connection to the sanitary sewer.

7.1.2 H5

(H5) 45 Elizabeth **Street, 64 Duke Street, 92 Ferguson Street**

As shown on Appendix A of this **By-law**.

a) Purpose:

To ensure a comprehensive master plan is prepared for the site prior to **redevelopment** and that **municipal services** are **adequate** and **available**, to the satisfaction of the **City**, prior to intensification of the lands.

b) Interim uses Prior to Removal of the (H):

- (i) **Manufacturing**, tradesperson's shop, **repair service** and warehousing.

c) Interim Regulations Prior to Removal of the (H):

- (i) For such time as the holding provision (H) is in place, only the following replacements, additions or expansions of **buildings** or **structures** legally existing on the **effective date** of this **By-law** shall be permitted:

- Modifications to existing **building** façade(s)
- Minor additions to existing **buildings**, to a maximum of 10 square metres.

d) Conditions:

- (i) Prior to the removal of the holding provision (H), the following conditions shall be completed to the satisfaction of the **City**;
- That an Urban Design Master Plan be developed to the satisfaction of the **City** that includes the following items:
 - Location of public and/or private **streets** and **lanes**;
 - Location, size and configuration of parkland/open space on the site;

-
- Location, **uses** and massing of **buildings** and their relationship to adjacent **streets** and open spaces;
 - Built form transitions to the surrounding community;
 - Shadow impacts;
 - Physical and visual connections to the immediate surroundings and broader downtown area;
 - Conceptual streetscape designs for internal **streets** and adjacent **public streets** to be improved;
 - Heritage attributes to be rehabilitated, conserved and retained in the proposed development;
 - Locations for heritage interpretation and/or public art;
 - General location and lay-out of parking
 - Provision of affordable housing; and,
 - Environmental features and elements that support the Community Energy Plan and the sustainability policies of the **City's** Official Plan in force and effect on the **effective date** of this **By-law**.
- (ii) Prior to the removal of the holding provision (H), a **municipal services** review shall be completed to the satisfaction of the **City**. The scope and boundary of the **municipal services** review will be determined by the **City** and may include but is not limited to:
- Watermain condition and water supply; sanitary sewer condition and sanitary **capacity**; storm sewer condition and **capacity**;
 - **Stormwater management facility** condition and **capacity**; road and intersection condition and capacity; transportation facilities; and hydro services.
 - Should the **municipal services** review demonstrate that all necessary **municipal services** required for the proposal are **adequate** and **available** to the satisfaction of the **City**, the (H) may be lifted; or,
 - Should the **municipal services** review determine that all necessary **municipal services** required for the proposal are not **adequate** and **available**, then prior to the (H) being lifted:
-

-
- **Adequate** security for the actual design and construction costs of any **municipal services** required for the proposed development shall be secured where appropriate and in a manner satisfactory to the **City**;
 - Any **municipal services** required for the proposed development shall be designed to the satisfaction of the **City**; and,
 - Any **municipal services** required for the proposed development shall be constructed to the satisfaction of the **City**.
- (iii) Parkland dedication
- That a minimum of 0.39 hectares of land from the lands known as 64 Duke **Street**, 69 Huron **Street** and 45 Elizabeth **Street** will be prepared and deeded to the **City** as public **park** pursuant to the **City** of Guelph Parkland Dedication **By-law** (2019)-20366 or any successor thereof. The final form and details of the parkland will be determined through the required Urban Design Master Plan, supporting planning applications and subsequent **development** approval conditions. The owner further agrees to grade, topsoil, sod and demarcate the parkland to the satisfaction of the **City** at the owner's expense in accordance with the **City**'s parkland policies.

7.1.3 H12

(H12) Municipal services

a) Purpose:

- (i) To ensure that **municipal services** are **adequate** and **available**, to the satisfaction of the **City**, prior to construction of new **buildings** and/or additional residential **development** of the lands.

b) **Uses** Subject to Removal of the (H)

- (i) For such time as the holding provision (H) is in place, these lands may be used for all **uses** permitted in the applicable precinct except for new residential **uses** as set out in **Table 6.1**. The **use** of these lands for new residential **uses** is subject to the interim regulations in (c) as follows:

c) Conditions:

-
- (i) Prior to the removal of the holding provision (H) a **municipal services** review shall be completed to the satisfaction of the **City**. The scope and boundary of the **municipal services** review will be determined by the **City** and may include but is not limited to: watermain condition and water supply; sanitary sewer condition and sanitary capacity; storm sewer condition and capacity; **stormwater management facility** condition and capacity; road and intersection condition and capacity; transportation facilities; and hydro services.
 - d) Should the municipal services review demonstrate that all necessary **municipal services** required for the proposed construction of a new **building** and/or residential **development** are **adequate** and **available** to the satisfaction of the **City**, the (H) may be lifted; or,
 - e) Should the **municipal services** review determine that all necessary **municipal services** required for the proposed construction of a new **building** and/or residential **development** are not **adequate** and **available**, then prior to the (H) being lifted:
 - (i) Adequate security for the actual design and construction costs of any **municipal services** required for the proposed new **building** and/or residential **development** shall be provided to the **City** in a matter satisfactory to the **City**; and,
 - (ii) Any **municipal services** required for the proposed new **building** and/or residential **development** shall be designed to the satisfaction of the **City**; and,
 - (iii) Any **municipal services** required for the proposed new **building** and/or residential **development** shall be constructed to the satisfaction of the **City**.

7.1.4 H23

(H23) Downtown **Municipal services**

As shown on Appendix A of this **By-law**.

- a) Purpose:

- (i) To ensure that **municipal services** are **adequate** and **available**, to the satisfaction of the **City**, prior to intensification of the lands.
- b) Interim **uses** Prior to Removal of the (H)
- (i) For such time as the holding provision (H) is in place, these lands may be used for all **uses** permitted in the applicable precinct subject to the interim regulations set out in (c):
- c) Interim Regulations Prior to Removal of the (H)
- (i) For such time as the holding provision (H) is in place, only the following replacements, additions or expansions of **buildings** or **structures** legally existing on the **effective date** of this **By-law** shall be permitted:
- Modifications to existing **building** façade(s).
 - Minor additions to existing **buildings**, to a maximum of 10 square metres.
- d) Conditions:
- (i) Prior to the removal of the holding provision (H) a **municipal services** review shall be completed to the satisfaction of the **City**.  - (iii) **Uses** associated with the disposal, **manufacturing**, treatment or storage of hazardous substances

7.9.2 Permitted uses

- a) Permitted uses are identified by the underlying zone(s) of the property and in accordance with Section 1.1.
- b) The following additional regulations apply to portions of the Floodplain Overlay:
 - (i) **Development, redevelopment** and rehabilitation of **buildings** and **structures** within the flood fringe portion of the Floodplain Overlay may be permitted, in accordance with Section 4 and subject to special rules and provided specific area **floodproofing** requirements are met, as established by the Grand River Conservation Authority.
 - (ii) Minor additions or alterations to existing residential, industrial, commercial and institutional **buildings** or **structures** and non-habitable **accessory buildings or structures** may be permitted within the portion

of the One Zone Floodplain located outside designated Significant Natural Areas and Natural Areas in the **City's** Official Plan in force and effect on the **effective date** of this **By-law**, in accordance with the regulations of the Grand River Conservation Authority, and provided that it has been demonstrated through an **Environmental impact study** that there will be no negative impacts to protected natural heritage features and areas or their associated ecological functions, as required.

- (iii) Outdoor recreation, including small, municipal **accessory buildings or structures**, may be permitted within the Floodway portion of the Two Zone Floodplain located outside designated Significant Natural Areas and Natural Areas in the **City's** Official Plan in force and effect on the **effective date** of this **By-law**, provided that damage potential is minimized and proposed **structures** will not affect the hydraulic characteristics of the floodplain, in accordance with the regulations of the Grand River Conservation Authority, and provided that it has been demonstrated through an **Environmental impact study** that there will be no negative impacts to protected natural heritage features and areas or their associated ecological functions, as required.

7.10 Special Policy Area Overlay

Note: Anyone who proposes to undertake the **development** or **redevelopment** of lands within the SPA overlay is reminded that the approval of the Grand River Conservation Authority pursuant to regulations made under the Conservation Authorities Act, R.S.O 1990, Chapter C.27, may be required in addition to any requirements of this **By-law**.

The Special Policy Area Overlay applies to lands that lie within the special policy area floodplain portions of the **regulatory floodplain** where **development** and **redevelopment** may be permitted, subject to special rules and provided specific area **floodproofing** requirements are met, as established by the Province, the Grand River Conservation Authority and the **City** included on Appendix C6.

Despite anything else in this **By-law**, land shall not be used and no **building** or **structure** shall be erected, located or used, except in accordance with the regulations of this **By-law** for the precinct in which the lands are located and the regulations below:

7.10.1 Restricted uses

- a) **Development** or **redevelopment** is not permitted within the **hydraulic floodway**.
- b) **Hotels** may be permitted if the **use** can be **floodproofed** to the regulatory flood **level** and **safe access** can be provided.
- c) Within the SPA, **vehicle service stations** and other **uses** involving the **manufacture**, disposal, consumption or storage of chemical, flammable, explosive, toxic, corrosive or other dangerous materials shall not be permitted.
- d) Within the SPA, **parking facilities** shall be designed to the satisfaction of the **City** and the Grand River Conservation Authority.

7.10.2 General floodproofing requirements

Floodproofing shall be required for all forms of **building** activity within the SPA to the satisfaction of the **City** and the Grand River Conservation Authority.

- a) Any new **building** or **structure** shall be designed such that its structural integrity is maintained during a **regulatory flood**.
- b) All forms of **floodproofing**, as outlined in the "Implementation Guidelines of the Provincial Policy Statement on Flood Plain Planning" and any successor thereof, may be used to achieve the necessary **floodproofing** requirements of this **By-law**.

7.10.3 Floodproofing requirements for residential uses

The following regulations apply to the **renovation** of, intensification of, **conversion** to, and **development** or **redevelopment** of residential **uses**:

- a) **Renovation** of existing residential **buildings** shall be permitted provided any new **habitable floor space** is not lower than the elevation of the existing ground floor level.

 - b) Residential intensification, comprising the building of a new **single detached, semi-detached** or **duplex dwelling** on an existing vacant **lot**, or adding an additional unit to an existing **single detached, semi-detached, or duplex dwelling** or the creation of a new **lot** for a **single detached, semi-detached, or duplex dwelling**, shall be permitted provided that the new **building** or **structure** is **floodproofed** to an elevation no lower than 1 metre below the **regulatory flood** level; and
 - (i) The **habitable floor space** is constructed to an elevation equal to, or greater than the elevation of at least one of the adjacent **buildings** but in no case lower than 1 metre below the **regulatory flood** level;
 - (ii) **Basements** will only be permitted in instances where the elevation of the **basement** floor is greater than the elevation of 1 metre below the **regulatory flood** level. In instances where this **basement** floor level elevation cannot be achieved, a crawl space of a maximum height of 1.2 metres may be permitted to facilitate servicing;
 - (iii) Mechanical, electrical and heating equipment will be located no lower than 1 metre below the **regulatory flood** level; and
 - (iv) Access is **available** to an elevation no lower than 1 metre below the **safe access** level.

 - c) Conversion of a non-residential **building** to a residential **use** will be permitted provided the **building** is **floodproofed** to an elevation no lower than 1 metre below the **regulatory flood** level; and
 - (v) The **habitable floor space** elevation of any new residential unit is located at an elevation no lower than 1 metre below the **regulatory flood** level;
 - (vi) Mechanical, electrical and heating equipment will be located no lower than 1 metre below the **regulatory flood** level; and
-

- (vii) Access is **available** to the site at an elevation no lower than 1 metre below the **safe access** level.
- d) **Development** and **redevelopment** of new residential units shall be permitted provided that the new **building** and related **structures** are **floodproofed** to the **regulatory flood** level; and,
 - (viii) The **habitable floor space** of any new residential unit is constructed to an elevation equal to or greater than the **regulatory flood** level;
 - (ix) Windows, doors and other **building** openings for any new residential unit will be located above the **regulatory flood** level;
 - (x) Mechanical, electrical and heating equipment for any new residential unit will be located above the **regulatory flood** level;

 - (xii) Unenclosed **parking facilities** shall be located at or above an elevation of the 100 year flood level. Enclosed facilities shall be floodproofed to the **regulatory flood** level.

7.10.4 Floodproofing requirements for non-residential uses

In addition to the requirements of Section 16.2.2, the **renovation** of, **conversion** to, and **development** and **redevelopment** of non-residential **uses** shall be permitted provided that:

- e) The **building** or **structure** is **floodproofed** to a minimum elevation no lower than 1 metre below the **regulatory flood** level; and
- f) The minimum elevation of any **floor area** is at or above the **100 year flood level**.

7.11 Wellhead protection area (WHPA) Overlay

- a) The **Wellhead protection area** Overlay, included on Schedule B, is applied to lands within radius of a City drinking water supply well, this includes the area for WHPA - A and WHPA - B. The purpose of this overlay is to place restrictions on permitted **uses** and activities in these areas in order to protect existing and future sources of municipal drinking water. The regulations in this section are established in accordance with the **City's** policies contained within the Grand River Source protection plan and the Clean Water Act, 2006.
- b) The storage, **use, manufacturing** of any of the following **uses** or activities where they pose a significant drinking water threat, except in association with normal household use, shall be prohibited within the **Wellhead protection areas** Overlay for the WHPA - A, as shown on Schedule B of this **By-law**:
- (i) New or expanded storage, **manufacturing** and **wholesale** warehousing facilities with storage of greater than 2,500 kilograms of commercial fertilizer.
 - (ii) New **manufacturing** and **wholesale** warehousing facilities with storage of greater than 2,500 kilograms of pesticide or the storage of greater than 250 kilograms for retail sale or for extermination.
 - (iii) Storage of road salt of greater than 5,000 tonnes.
 - (iv) Handling and storage of fuel in conjunction with a new or expanded **vehicle service station** and new or expanded bulk fuel **storage facility** (excluding bulk fuel storage associated with a municipal emergency generator facility).
 - (v) New or expanded storage of the specified **dense non-aqueous phase liquids** identified as a **significant drinking water threat**.
 - (vi) New or expanded storage of the specified organic solvents in the quantities identified as a **significant drinking water threat**.
- c) That new or expanded storage of road salt of greater than 5,000 tonnes where they pose a significant drinking water threat shall be prohibited within the **Wellhead protection area** Overlay for the WHPA - B, as shown on Schedule B of this **By-law**.
-

- d) The enlargement or expansion of **uses** identified in 7.5 a) and c) and existing on the effective date of the approval of the source protection plan shall be prohibited, unless otherwise expressly permitted by approval from all regulating public authorities, as may be required.

7.11.1 Servicing Requirements

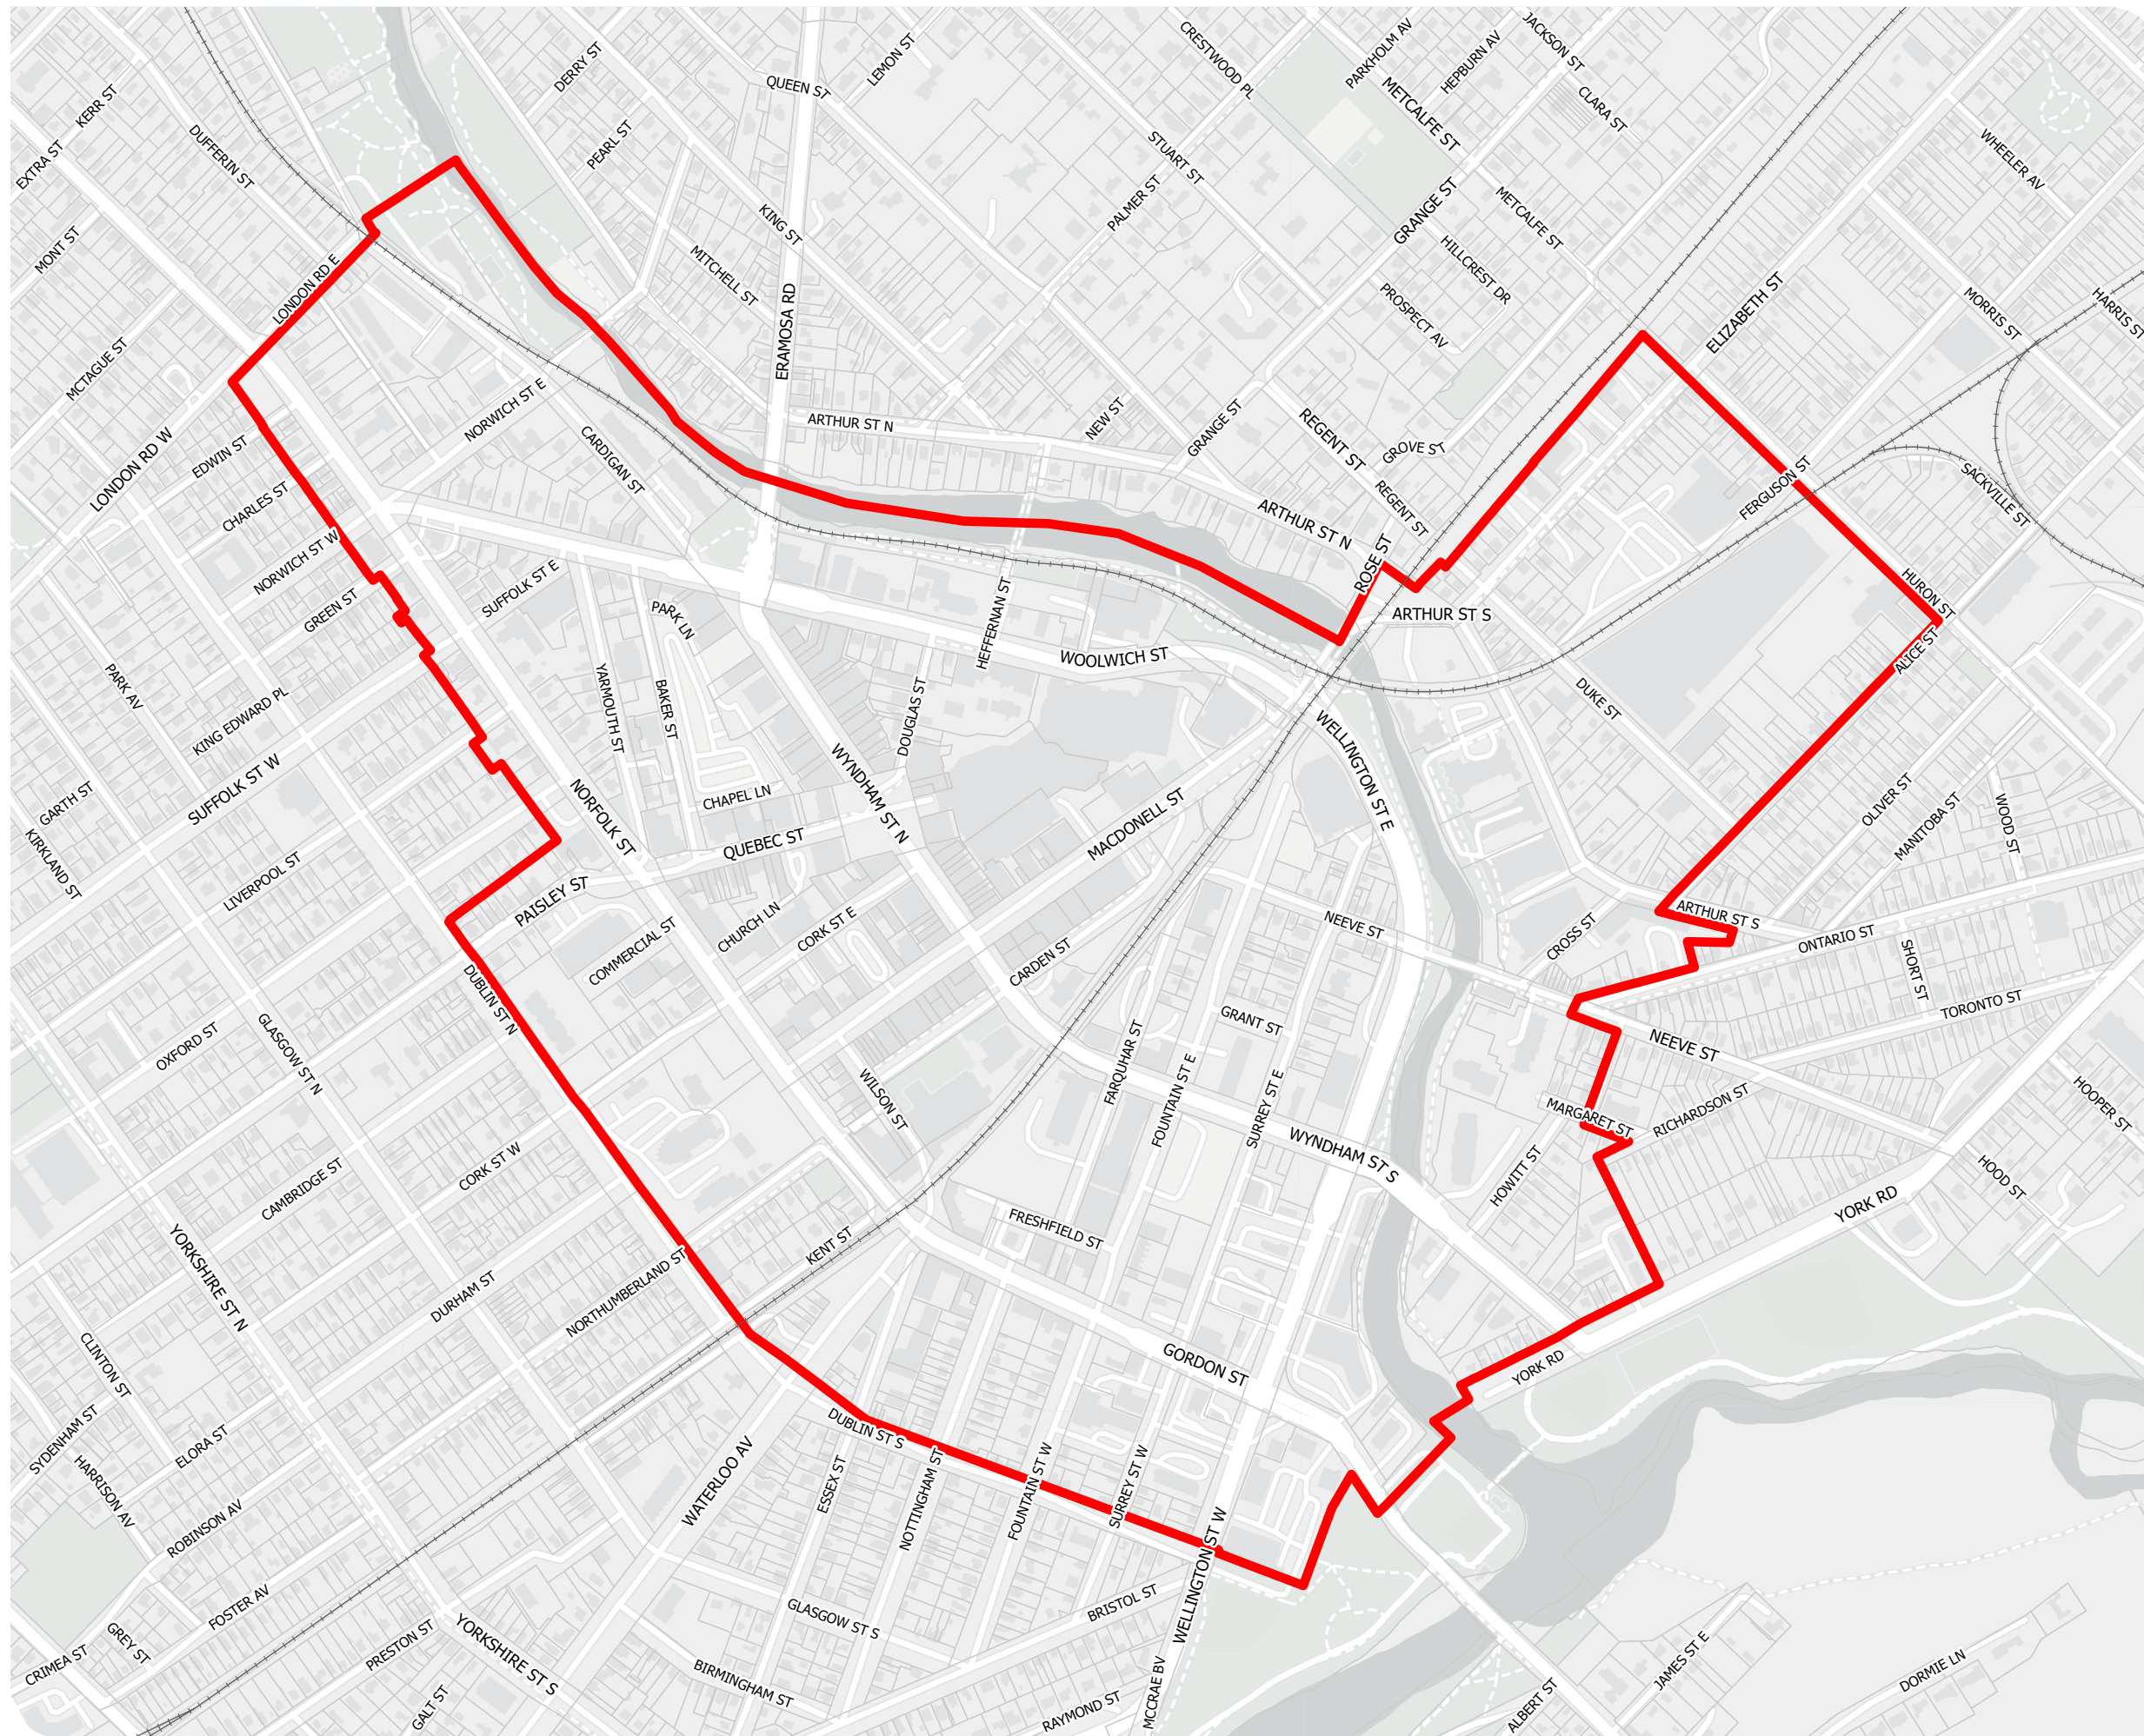

To ensure that on-site sewage systems never become a **significant drinking water threat**, new **lots** that rely on servicing by onsite sewage systems with a design flow of less than or equal to 10,000 litres per day and regulated under the Ontario Building Code.
