

Provincial and Federal Consultation Alert

Discussion Paper on Modernizing Hazardous Waste Reporting in Ontario

Ministry

Ministry of the Environment, Conservation and Parks (MECP)

Consultation Deadline

18 August 2020

Summary

A discussion paper on modernizing hazardous waste reporting requirements has been posted by the MECP on the Environmental Registry. The discussion paper outlines proposals to shift reporting services to the Resource Productivity & Recovery Authority.

Proposed Form of Input

City Staff will provide a written submission on the Environmental Registry.

Rationale

The City of Guelph is responsible for waste collection in the community and at the Waste Resource Innovation Centre. For this reason, the City has an interest in consultation processes aimed at modernizing waste collection services.
