

PLAN REVIEW REPORT TO: City of Guelph, Committee of Adjustment
Trista Di Lullo, Secretary- Treasurer

DATE: July 30, 2020

YOUR FILE: B-7/20 & B-8/20

RE: **Applications for Consent**
73 and 93 Arthur Street South,
Guelph, Ontario

GRCA COMMENT:

The Grand River Conservation Authority (GRCA) has no objection to the proposed consents.

BACKGROUND:

1. Resource Issues:

Information currently available at this office indicates that the proposed retained and severed lands are within the floodplain of the Speed River and are identified as Special Policy Area.

2. Legislative/Policy Requirements and Implications:

The property is subject to the policies for development within the Special Policy Area found in the City of Guelph's Official Plan and Zoning By-law that allow for the creation of a new lot in the floodplain, subject to meeting technical criteria. Based on our review, the lots will meet the access criteria for the creation of new lots in the SPA. We would ensure conformance with the remaining technical requirements at detailed design.

Due to the presence of the floodplain, the lands are regulated by the GRCA under *Ontario Regulation 150/06 - Development, Interference with Wetlands and Alterations to Shorelines and Watercourses Regulation*. Development on the retained lands has been approved under Ontario Regulation 150/06. Any future development or alteration on the severed lands will require prior written approval from GRCA in the form of a permit pursuant to Ontario Regulation 150/06. We note that the subject lands have an approved permit (546/19) to allow for development for multi-unit residential development.

3. Additional Information/Suggestions provided in an advisory capacity:

A plan review fee is required for the processing of the consent applications. With a copy of this letter, the applicant will be invoiced in the amount of \$420.00.

Should you have any questions or require further information, please contact our office.

Yours truly,

A handwritten signature in black ink, appearing to read "Fred Natolochny". The signature is fluid and cursive, with a large loop at the end.
