Attachment 3 (continued) - Existing Official Plan Land Use Designation Map and Policies

9.3.2 Low Density Residential

This designation applies to residential areas within the built-up area of the city which are currently low-density in character. The predominant land use in this designation shall be residential.

Permitted Uses

1. The following uses may be permitted subject to the applicable provisions of this Plan:
 - i) detached, semi-detached and duplex dwellings; and
 - ii) multiple unit residential buildings, such as townhouses and apartments.

Height and Density

The built-up area is intended to provide for development that is compatible with existing neighbourhoods while also accommodating appropriate intensification to meet the overall intensification target for the built-up area as set out in Chapter 3. The following height and density policies apply within this designation.

1. The minimum height shall be three (3) storeys.
2. The maximum net density is 35 units per hectare and not less than a minimum net density of 15 units per hectare.
3. Notwithstanding policies 9.3.2.2 and 9.3.2.3, increased height and density may be permitted for development proposals on arterial and collector roads without an amendment to this Plan up to a maximum height of six (6) storeys and a maximum net density of 100 units per hectare in accordance with the Height and Density Bonus policies of this plan.
